attempted to position himself within the larger context of German and European history. Both inside and outside Germany, the term Third Reich was often used to describe the Nazi regime in Germany from January 30, 1933, to May 8, 1945. The Nazi rise to power marked the beginning of the Third Reich, which brought an end to the Weimar Republic, a parliamentary democracy established in Germany after World War I. Following the appointment of Adolf Hitler as Chancellor on January 30, 1933, the Nazi state, also referred to as the Third Reich, quickly became a regime in which Germans enjoyed no guaranteed basic rights. From the outset of the game, the Axis player has to invade France, ready their forces on the East Front for the invasion of Russia, while simultaneously developing advanced technologies and also launching submarine missions to take out shipping. All with just 3 actions, pretty hard to do but very important. Hitler's war against the Boy Scouts fueled the Third Reich's ideology and its military might. The Boy Scouts motto was "Be Prepared," but nothing could prepare Max Ebel, a German. The Third Reich was not a term of Hitler's invention; it was concocted in a book written in 1922.
