Essentials of Marketing Management Jan 01 2021 The overall success of an organization is dependent on how marketing is able to inform strategy and maintain an operational focus on market needs. This title covers such topics as: consumer and organizational buyer behaviour; product and innovation strategies; direct marketing; and, e-marketing.

Marketing Strategy Jun 18 2022 *MARKETING STRATEGY, 6e, International Edition* edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.

Strategic Marketing Management Nov 23 2022 *Strategic Marketing Management (5th edition)* offers a comprehensive framework for strategic planning and outlines a structured approach to identifying, understanding, and solving marketing problems. For business students, the theory advanced in this book is an essential tool for understanding the logic and the key aspects of the marketing process. For managers and consultants, this book presents a conceptual framework that will help develop an overarching strategy for day-to-day decisions involving product and service design, branding, pricing, promotions, and distribution. For senior executives, the book provides a big-picture approach for developing new marketing campaigns and evaluating the success of ongoing marketing programs.

Marketing Channels Nov 11 2021

Marketing Strategy Jul 27 2020 *Marketing Strategy, 8e* is a focused, succinct text which can be used on its own or packaged with a case book. It covers the concepts and theories of creating and implementing a marketing strategy and offers a focus on the strategic planning process and marketing's cross/inter-functional relationships. This text distinguishes itself from competitors by maintaining a strong approach to strategic decision making. The eighth edition helps students integrate what they have learned about analytical tools and the 4P's of marketing within a broader framework of competitive strategy. Four key and relevant trends that are sweeping the world of marketing theory and practice are integrated throughout this new edition.

Global Marketing, Global Edition Jan 13 2022 For undergraduate and graduate courses in global marketing The excitement, challenges, and controversies of global marketing. *Global Marketing* reflects current issues and events while offering conceptual and analytical tools that will help students apply the 4Ps to global marketing. MyMarketingLab for Global Marketing is a total learning package. MyMarketingLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams--resulting in better performance in the course--and provides educators a dynamic set of tools for gauging individual and class progress.

Services Marketing May 05 2021 *Services Marketing: People, Technology, Strategy* is the eighth

edition of the globally leading textbook for Services Marketing by Jochen Wirtz and Christopher Lovelock, extensively updated to feature the latest academic research, industry trends, and technology, social media and case examples. This textbook takes on a strong managerial approach presented through a coherent and progressive pedagogical framework rooted in solid academic research. Featuring cases and examples from all over the world, *Services Marketing: People, Technology, Strategy* is suitable for students who want to gain a wider managerial view of Services Marketing.

Strategic Marketing Management - The Framework, 10th Edition Jul 19 2022 *Strategic Marketing Management: The Framework* outlines the essentials of marketing theory and offers a structured approach to identifying and solving marketing problems. This book presents a strategic framework to guide business decisions involving the development of new offerings and the management of existing products, services, and brands.

Principles of Marketing Feb 20 2020 An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. *Principles of Marketing* keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Strategic Market Management 8th Edition with Marketing Mistakes 11th Edition Set Sep 21 2022

International Marketing and Export Management Jan 21 2020 This is the only book on the market that comprehensively covers both international marketing and export management. This is a focus on marketing decisions and management processes involved in exporting and not simply a 'how to' treatment of technical export details. This 5th edition has been written in response to the continually rapid changes in international marketing and the new challenges that are arising. This book is suitable for Undergraduates and Postgraduates/MBA courses in International Marketing, Export Marketing and International Trade.

Strategic Marketing Management, 8th Edition (Chinese) Oct 22 2022 *Strategic Marketing Management (8th Edition)* outlines the essentials of marketing theory and offers a structured approach to identifying, understanding, and solving marketing problems. This book delineates a comprehensive framework for articulating sound marketing strategies to guide business decisions involving product and service design, branding, pricing, sales promotion, communication, and distribution. The concepts, principles, and frameworks advanced in this book apply to a wide range of organizations, from startups to established market leaders, from packaged-goods manufacturers to value-added service providers, from nonprofit entities to for-profit corporations.

Marketing for Hospitality and Tourism Jun 25 2020 *Marketing for Hospitality and Tourism, 7/e* is the definitive source for hospitality marketing. Taking an integrative approach, this highly visual, four-color book discusses hospitality marketing from a team perspective, examining each hospitality department and its role in the marketing mechanism. These best-selling authors are known as leading marketing educators and their book, a global phenomenon, is the leading resource on hospitality and tourism marketing. The Seventh Edition of this popular book includes new and updated coverage of social media, destination tourism and other current industry trends, authentic industry cases, and hands-on application activities. New to the Seventh Edition: Shows readers the importance of social media. Provides a contemporary overview of destination marketing. Reflects current industry trends. Uses interesting industry examples to entertain and engage students. Provides hands-on application assignments. Supports teaching with comprehensive instructor supplements.

How to Market Books Feb 02 2021 'Baverstock is to book marketing what Gray is to anatomy; the undisputed champion.' Richard Charkin, Executive Director of Bloomsbury Publishing and President

Elected by the International Publishers Association Over four editions, Alison Baverstock's *How to Market Books* has established itself as the industry standard text on marketing for the publishing industry, and the go-to reference guide for professionals and students alike. With the publishing world changing like never before, and the marketing and selling of content venturing into uncharted technological territory, this much needed new edition seeks to highlight the role of the marketer in this rapidly changing landscape. The new edition is thoroughly updated and offers a radical reworking and reorganisation of the previous edition, suffusing the book with references to online/digital marketing. The book maintains the accessible and supportive style of previous editions but also now offers: a number of new case studies detailed coverage of individual market segments checklists and summaries of key points several new chapters a foreword by Michael J Baker, Professor Emeritus of Marketing, Strathclyde University.

Marketing Management Mar 15 2022 Gain an understanding of the vibrant, challenging environment facing marketers today as Jacobucci's *MARKETING MANAGEMENT*, 6E presents an intriguing, guiding framework that clearly illustrates how core concepts fit together. This updated and complete overview offers a captivating style and engaging presentation that you will actually enjoy reading. Learn how to make meaningful decisions and construct useful, practical marketing plans to help companies succeed. Revised chapters, updated explanations, new mini-cases and the latest examples depict global marketing, ethics and social media marketing in action. This edition emphasizes the importance of theory with a framework that demonstrates the interrelationship of marketing concepts and decisions. Leading cases from Harvard, Darden and Ivey further reinforce the relevance of what you are learning and prepare you to apply the latest marketing management principles for business success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Marketing Management Feb 26 2023 The eighth edition of *Marketing Management: A Strategic Decision-Making Approach*, concentrates on marketing decision-making, rather than mere description of marketing phenomena. By providing specific tools and decision frameworks, it prepares its readers to hit the ground running and contribute tangibly to the marketing efforts of firms large and small. Drawing on its authors' wealth of entrepreneurial and executive experience, along with their thought-leading research, the book provides an abundance of real-life examples of marketing decisions -- both good and not-so-good -- from around the world in companies ranging from entrepreneurial start-ups to multi-national giants. This edition continues to be the most current and internet-savvy book available, injecting the latest developments in internet-based communication and distribution technology into every chapter.

MARKETING MANAGEMENT Jun 06 2021 *Marketing Management*, 9/e, by Peter and Donnelly, is praised in the market for its organization, format, clarity, brevity and flexibility. The goal of this text is to enhance students' knowledge of marketing management and to advance their skills in utilizing this knowledge to develop and maintain successful marketing strategies. The six stage learning approach is the focus of the seven unique sections of the book. Each section has as its objective either knowledge enhancement or skill development, or both. The framework and structure of the book is integrated throughout the sections of the new edition. The basic structure of the text continues to evolve and expand with numerous updates and revisions throughout.

Strategic Market Management Oct 18 2019 *Strategic Market Management* helps managers identify, implement, prioritize, and adapt market-driven business strategies in dynamic markets. The text provides decision makers with concepts, methods, and procedures by which they can improve the quality of their strategic decision-making. The 11th Edition provides students in strategic marketing, policy, planning, and entrepreneurship courses with the critical knowledge and skills for successful market management, including strategic analysis, innovation, working across business units, and developing sustainable advantages.

Global Marketing Management Dec 24 2022 The 7th Edition of *Global Marketing Management* prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment. The text's guiding principle, as laid out concisely and

methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment.

Business Marketing Management Sep 09 2021

Marketing Plans Apr 16 2022 A fully revised and updated 8th edition of the highly renowned international bestseller The 8th edition of this highly acclaimed bestseller is thoroughly revised with every chapter having been updated with special attention to the latest developments in marketing. Marketing Plans is designed as a tool and a user-friendly learning resource. Every point illustrated by powerful practical examples and made actionable through simple, step-by-step templates and exercises. The book is established as essential reading for all serious professional marketers and students of marketing, from undergraduate and postgraduate to professional courses for bodies such as CIM. Above all it provides a practical, hands-on guide to implementing every single concept included in the text. New chapters and content include: A 'Does it Work' feature throughout demonstrating examples of real successes using the processes in the book More substantial coverage of consumer behaviour to balance the book's focus with B2B planning Digital techniques and practices brought fully up to date Also includes a comprehensive online Tutors' Guide and Market2Win Simulator for those who teach marketing strategy

Exam 70-411 Administering Windows Server 2012 Mar 23 2020 Microsoft Windows Server is a multi-purpose server designed to increase reliability and flexibility of a network infrastructure. Windows Server is the paramount tool used by enterprises in their datacenter and desktop strategy. The most recent versions of Windows Server also provide both server and client virtualization. Its ubiquity in the enterprise results in the need for networking professionals who know how to plan, design, implement, operate, and troubleshoot networks relying on Windows Server. Microsoft Learning is preparing the next round of its Windows Server Certification program with exams covering the new version of the software, Windows Server 2012. The exams and certification path change significantly from the previous version of Windows Server. This provides an opportunity for the MS line to capitalize on the dual disruption of brand-new software and brand-new certifications.

Market-based Management Aug 28 2020 "This groundbreaking book provides the tools and processes needed to actually apply market-driven strategy to today's business world. Roger Best's work has proven to be a refreshing alternative to the many conceptual and theoretical-centered marketing books because it is built around a performance orientation and the belief that real learning occurs only with the application of knowledge."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Global Marketing (First Edition) Mar 03 2021 The New Global Marketing: Local Adaptation for Sustainability and Profit discusses the ways that marketing managers can assess the potential for global expansion and help their firms capitalize on opportunities. The book explores which companies and products should expand internationally, what countries offer the best opportunities, and which marketing plan will lead each product or company to success. The material adapts well-established frameworks to demonstrate how the global marketer can assess company strengths and weaknesses and analyze opportunities and risks in foreign markets. It discusses the proper balance between standardization and localization, and addresses the importance of the "triple" bottom line - environmental sustainability, social fairness, and financial performance. Students also learn about bottom-of-the-pyramid markets, the role of digital global marketing, and the importance of adapting to international political, social, and environmental pressures. Featuring more than twenty original case studies, The New Global Marketing is an excellent introduction to what it really takes to succeed as a global marketer. Written for students with some marketing education and exposure to international business, the book is ideally suited to upper-level business courses and M.B.A. programs.

Selling and Sales Management May 25 2020

Marketing Channel Strategy Oct 10 2021 For advanced undergraduate and/or graduate-level courses in Distribution Channels, Marketing Channels or Marketing Systems. Strategic Marketing Management, 9th Edition Dec 12 2021

The Marketing Book Apr 04 2021 The Marketing Book is everything you need to know but were afraid to ask about marketing. Divided into 25 chapters, each written by an expert in their field, it's a crash course in marketing theory and practice. From planning, strategy and research through to getting the marketing mix right, branding, promotions and even marketing for small to medium enterprises. This classic reference from renowned professors Michael Baker and Susan Hart was designed for student use, especially for professionals taking their CIM qualifications. Nevertheless, it is also invaluable for practitioners due to its modular approach. Each chapter is set out in a clean and concise way with plenty of diagrams and examples, so that you don't have to dig for the information you need. Much of this long-awaited seventh edition contains brand new chapters and a new selection of experts to bring you bang up to date with the latest in marketing thought. Also included are brand new content in direct, data and digital marketing, and social marketing. If you're a marketing student or practitioner with a question, this book should be the first place you look.

Construction Contracting Nov 30 2020 The definitive contracting reference for the construction industry, updated and expanded Construction Contracting, the industry's leading professional reference for five decades, has been updated to reflect current practices, business methods, management techniques, codes, and regulations. A cornerstone of the construction library, this text presents the hard-to-find information essential to successfully managing a construction company, applicable to building, heavy civil, high-tech, and industrial construction endeavors alike. A wealth of coverage on the basics of owning a construction business provides readers with a useful "checkup" on the state of their company, and in-depth exploration of the logistics, scheduling, administration, and legal aspects relevant to construction provide valuable guidance on important facets of the business operations. This updated edition contains new coverage of modern delivery methods, technology, and project management. The field of construction contracting comprises the entire set of skills, knowledge, and conceptual tools needed to successfully own or manage a construction company, as well as to undertake any actual project. This book gives readers complete, up-to-date information in all of these areas, with expert guidance toward best practices. Learn techniques for accurate cost estimating and effective bidding Understand construction contracts, surety bonds, and insurance Explore project time and cost management, with safety considerations Examine relevant labor law and labor relations techniques Between codes, standards, laws, and regulations, the construction industry presents many different areas with which the manager needs to be up to date, on top of actually doing the day-to-day running of the business. This book provides it all under one cover - for the project side and the business side, Construction Contracting is a complete working resource in the field or office.

Marketing Feb 14 2022 Grewal and Levy's Marketing is the first text published since the AMA introduced its new value-based definition of the word Marketing, making it the most modern and forward thinking of all principles of marketing offerings. It seeks to apply the marketing concept. Marketing and its supplementary package was built from scratch by focusing on what the market wants. The motto, Marketing Creates Value permeates this text and is stressed through the main themes of entrepreneurship, service global marketing, and ethics.

Marketing Management Aug 08 2021 "No doubt about it, marketing is really changing. Marketing today is: Very strategic-customer-centricity is now a core organizational value. Practiced virtually, digitally, and socially to a greater degree than ever before imagined. Enabled and informed by analytics and new technologies. Accountable to top management through diligent attention to metrics and measurement. Oriented toward service as driver of product. "Owned" by everybody in the firm to one degree or another"--

Global Marketing Oct 30 2020 "All good marketing is local. Global companies know this and are going "glocal."There is also a trend towards the Internet of Everything, which revolutionizes the whole marketing discipline.Svend Hollensenhas captured all the latest trends very well with the new cases inhis seventh edition of Global Marketing." Philip Kotler, S. C. Johnson & Son Distinguished Professor of International Marketing, Kellogg School of Management, Northwestern University In this era of increased globalisation, if there s one textbook that today s students and tomorrow s marketers need to read, it s Svend Hollensen s world renowned text. For over fifteen years "Global Marketing" has been the definitive, truly international guide to marketing. During that time, borders have become ever more transient and this book more central to the work of marketers all around the world. Now into its seventh edition, "Global Marketing "continues to be the most up-to-date and thorough text of its kind, with cutting-edge case studies and a focus on the impact of new technologies and perspectives on international marketing. This seventh edition expands on a number of new topics, including: shared economy solutions, social media, e-services and smartwatch app marketing, as well as many more. It is ideal for undergraduate and postgraduate students studying international marketing, and for any practitioners who want to take their global marketing strategies to the next level. "The world today truly is flat, and a sound global perspective is an absolute must for all students. SvendHollensen'sGlobal Marketingprovides a thorough and comprehensive treatment that delivers on this need." Michael R. Solomon, Professor of Marketing, Haub School of Business, Saint Joseph's University, USA, and Professor of Consumer Behaviour, University of Manchester, UK The best textbook on global marketing I have come across! The case studies, many of them available online, provide an excellent basis for class discussion. Elisabeth Gotze, Vienna University of Economics and Business Excellent level of detail in each chapter to support learning around strategic global marketing decisions. The video case studies are a huge bonus and really help to bring the subject alive. Giovanna Battiston, Senior Lecturer in Marketing, Sheffield Hallam University Key Features include: A clear part structure, organised around the five main decisions that marketing people in companies face in connection to the global marketing process End of part and end of chapter case studies helping students to understand how the theory relates to real world application Video case studies (available at www.pearsoned.co.uk/hollensen), showing how practitioners are using Global Marketing in their work About the author Svend Hollensen is Associate Professor of International Marketing at the University of Southern Denmark and has worked as a marketing consultant for several international companies and organizations. As well as this book, he is the author of other Pearson texts, including"Marketing Management"and "Essentials of Global Marketing." Student resourcespecifically written to complement this textbook are at www.pearsoned.co.uk/hollensen "

[Global Marketing Management](#) Jan 25 2023 For courses in International Marketing and Global Marketing. This is the leading MBA text in international marketing-with comprehensive cases.

Marketing Channels May 17 2022 Marketing Channels: A Management View, a market leader, is known to provide a management focus and managerial framework to the field of marketing channels. Theory, research, and practice are covered thoroughly and blended into a discussion that stresses decision making implications. This new edition reflects global, socio-cultural, environmental, and technological changes that have taken place within the industry. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Marketing Sep 28 2020 **MARKETING: THE CORE, 2/e** by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in

a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

Strategic Marketing Management: Theory and Practice Jul 07 2021 Strategic Marketing Management: Theory and Practice offers a systematic overview of the fundamentals of marketing theory, defines the key principles of marketing management, and presents a value-based framework for developing viable market offerings. The theory presented stems from the view of marketing as a value-creation process that is central to any business enterprise. The discussion of marketing theory is complemented by a set of practical tools that enable managers to apply the knowledge contained in the generalized frameworks to specific business problems and market opportunities. The information on marketing theory and practice contained in this book is organized into eight major parts. The first part defines the essence of marketing as a business discipline and outlines an overarching framework for marketing management that serves as the organizing principle for the information presented in the rest of the book. Specifically, we discuss the role of marketing management as a value-creation process, the essentials of marketing strategy and tactics as the key components of a company's business model, and the process of developing an actionable marketing plan. Part Two focuses on understanding the market in which a company operates. Specifically, we examine how consumers make choices and outline the main steps in the customer decision journey that lead to the purchase of a company's offerings. We further discuss the ways in which companies conduct market research to gather market insights in order to make informed decisions and develop viable courses of action. Part Three covers issues pertaining to the development of a marketing strategy that will guide the company's tactical activities. Here we focus on three fundamental aspects of a company's marketing strategy: the identification of target customers, the development of a customer value proposition, and the development of a value proposition for the company and its collaborators. The discussion of the strategic aspects of marketing management includes an in-depth analysis of the key principles of creating market value in a competitive context. The next three parts of the book focus on the marketing tactics, viewed as a process of designing, communicating, and delivering value. Part Four describes how companies design their offerings and, specifically, how they develop key aspects of their products, services, brands, prices, and incentives. In Part Five, we address the ways in which companies manage their marketing communication and the role of personal selling as a means of persuading customers to choose, purchase, and use a company's offerings. Part Six explores the role of distribution channels in delivering the company's offerings to target customers by examining the value-delivery process both from a manufacturer's and a retailer's point of view. The seventh part of the book focuses on the ways in which companies manage growth. Specifically, we discuss strategies used by companies to gain and defend market position and, in this context, address the issues of pioneering advantage, managing sales growth, and managing product lines. We further address the process of developing new market offerings and the ways in which companies manage the relationship with their customers. The final part of this book presents a set of tools that illustrate the practical application of marketing theory. Specifically, Part Eight delineates two workbooks: a workbook for segmenting the market and identifying target customers and a workbook for developing the strategic and tactical components of a company's business model. This part also contains examples of two marketing plans—one dealing with the launch of a new offering and the other focused on managing an existing offering.

[Introduction to e-Business](#) Apr 23 2020 An Introduction to e-Business provides the contemporary knowledge of the key issues affecting the modern e-business environment and links theory and practice of management strategies relating to e-business. This book brings together the most cogent themes for an introduction to e-business and constitutes a valuable contribution to formalising common themes for teaching the subject in higher education. It brings together theoretical perspectives based on academic research and the application of e-business strategies. These

concepts are further explored in the six case studies that follow the set chapters. This new textbook integrates the main themes to provide a complete picture of the key elements relevant to an introductory text in e-business. To fully appreciate the e-business environment it is necessary to understand the links between the different disciplines that come together to form

Marketing Management Aug 20 2022 This textbook provides students with comprehensive insights on the classical and contemporary marketing theories and their practical implications. A fourth, revised edition of Marketing Management, the text features new classical and contemporary cases, new interdisciplinary and cross-functional implications of business management theories, contemporary marketing management principles and futuristic application of marketing management theories and concepts. The core and complex issues are presented in a simplified manner providing students with a stimulating learning experience that enables critical thinking, understanding and future application. Each chapter features a chapter summary, key terms, review and discussion questions and a practice quiz. Throughout the text there are also specific teaching features to provide students and instructors with an enhanced pedagogical experience. These features include: The Manager's Corner: These sections provide real-world examples that instructors may highlight to exemplify theory or as mini-cases for discussion. Marketing in Action: These sections ask students to apply concepts and theories to actual business situations. Web Exercises: These mini sections provide students with real world issues and suggest websites for more information. In addition, the authors provide ancillary lecture notes and Solution/Instructors manual online to aid instructors in their teaching activities.

8th CIRCLE International Conference Dec 20 2019

Digital Marketing PDF eBook Nov 18 2019 'I have used this book in all its editions since first publication with my undergraduate and postgraduate students. It is a core text for all the students, because it provides the detail they require at an academic level. Importantly it is a book for the practitioner to use too. This is why we use it on our postgraduate practitioner programmes - where we actually buy the book for the students as we believe it is that important. No other text comes close and literally thousands of our graduates have benefitted from it in their subsequent careers: written by the specialist for the specialist.' David Edmundson-Bird Principal Lecturer in Digital Marketing Manchester Metropolitan University Now in its sixth edition, Digital Marketing: Strategy, Implementation and Practice provides comprehensive, practical guidance on how companies can get the most out of digital media and technology to meet their marketing goals. Digital Marketing links marketing theory with practical business experience through case studies and interviews from cutting edge companies such as eBay and Facebook, to help students understand digital marketing in the real world. Readers will learn best practice frameworks for developing a digital marketing strategy, plus success factors for key digital marketing techniques including search marketing, conversion optimisation and digital communications using social media including Twitter and Facebook. Dave Chaffey is a digital marketing consultant and publisher of marketing advice site SmartInsights.com. He is a visiting lecturer on marketing courses at Birmingham, Cranfield and Warwick universities and the Institute of Direct Marketing. Fiona Ellis-Chadwick is a Senior Lecturer in Marketing at the Loughborough University School of Business and Economics, Director of the Institute of Research Application and Consultancy at Loughborough University, academic marketing consultant and author.
