MAJOR & MRS HOLT'S Concise, Illustrated BATTLEFIELD GUIDE TO THE WESTERN FRONT- SOUTH contains many fascinating but little-visited areas by travelers and is hoped that they will be tempted further afield than the 'showcase' and sophisticatedly presented battlefields like the Somme to discover some marvelous sites. Many of them have lain virtually 'dormant' for many years (such as areas of the Meuse-Argonne and Champagne) but have recently been renovated and opened up by dedicated local enthusiasts. There are many 'gems' in store in this book. Each battlefield starts with some pertinent quotati. Like the other books in the Holts' acclaimed Battlefield Guide Series (see inside front cover for details) this is much more than just a guidebook. It charts in fascinating detail what happened at each recommended stop and brings alive, with cameos and personal

recollections, the dramatic events of September 1944. It is the very first detailed guide to chart the entire MARKET-GARDEN Corridor - from Leopoldsburg in Belgium and over the important bridges at the Scheldt-Maas Canal, the Wilhelmina Canal, the Zuid Willemsvaart Canal, the Maas and the Waal to the Bridge at Arnhem over the Lower Rhine - the 'Bridge Too Far'. There are stories of gallantry, despair, humour, fear and dogged persistence - here was a hidden execution ground and cemetery in Belgium - here Pfc Joe Mann threw himself onto a grenade to save his buddies - here the 504th PIR made the daring crossing over the Waal - here was Diogenes, the Germans' menacing secret bunker - here twin brothers of the British Airborne were killed together - here Colonel Johnny Frost clung on for 4 desperate days. This third edition includes:

- An UPDATE Section with GPS locations, new/changed Memorials, Museums and Tourist Information
- An Approach Route and five recommended timed Itineraries
- Sketch maps in all the Itineraries
- Memorials to the liberating Allies and the suffering Civilians
- Museums, sites of DZs and LZs
- Allied and German Cemeteries and Information on their War Graves Associations
- Historical background to and summary of the Operation
- Holland after the battles to the present day
- Information on Veterans' and Commemorative Associations and Events
- Useful tourist information
- Full colour illustrations throughout

Major and Mrs Holt provide a detailed guide to the D-Day landing sites in Normandy and the surrounding countryside. They include colour pull-out maps and details of all the landing beaches and sites to visit. The only map to show all memorials, cemeteries, forts and ramparts of the battle of the Somme. It includes coverage of the battle lines of 1st July 1916, the ground gained, and the location of museums and bunkers. The map is drawn accurately to scale and may be used for navigation. Road numbers are clearly indicated. To achieve maximum clarity, only roads, towns, villages, woods etc that feature regularly in battle accounts, or are essential for orientation, have been included. All roads shown are suitable for family cars. The only map to show all memorials, cemeteries, battle lines, forts and ramparts of the battle at Gallipoli. It includes detailed maps of the Anzacs, Helles and Suvla, as well as the positions of gun emplacements and the modern day whereabouts of museums. The map is drawn accurately to scale and may be used for navigation. To achieve maximum clarity, only essential roads, towns, villages, etc that feature in battle accounts, or that are needed for orientation, have been included. Principal roads are navigable by ordinary saloon car. The map also presents a full alphabetical index, location index and is illustrated in four colours. "This book is a summary of Major and Mrs Holt's study of the Normandy Landing Beaches and Battlefields that has taken over 30 years of work. This 'definitive' work is so called because not only does it provide clear backgrounds and tours for each of the Landing Beaches and Airborne Zones but it locates over 500 memorials, cemeteries, bunkers etc and each one has a photograph and a GPS location. Major and Mrs Holt - Tonie and Valmai Holt - are credited with creating the modern battlefield tour in the 1970s when they were the only people conducting such tours. This book not only draws on the many personal accounts that they heard during their years of touring but also from the military training of Tonie (the 'Major') and Valmai the arts graduate." -- This is the most complete guide to the First World War Battlefield of Ypres that has ever been published. Tonie and Valmai Holt, have condensed the knowledge gained from almost a quarter of a century of researching, writing about, visiting and conducting groups around Ypres into this remarkable book. Here are concise descriptions of the military elements of the battles woven into a kaleidoscope of human, literary and travel information. There are recommended, timed itineraries, in each itinerary representing one day's travelling. Every stop on the routes has an accompanying description and often a tale of heroic or tragic action. Memorials large and small, private and official, sites of memorable conflict, the resting places of personalities of note - they are all here and joined together by a sympathetic and understanding commentary that gives the reader a sensitivity toward the events of 1914-1918 that can only be matched by visiting the battlefield itself. This is a guide book written by people who, because they have been directly involved in taking tours themselves, know the form and type of information that best serves the visitor to the battlefield. NEW, FULLY UPDATED EDITION PACKAGED WITH A FREE, FULL COLOUR FOLD-OUT MAP WORTH '3.99 Covering the important WW1 Battles of Ypres, including the notorious Passchendaele, this

guidebook takes readers on a historic trip through some of the well-known and most important sites of the area. This book, part of a new series of guides, is designed conveniently in a small size, for those who have only limited time to visit, or who are simply interested in as an introduction to the historic battlefields, whether on the ground or from an armchair. They contain selections from the Holts' more detailed guides of the most popular and accessible sites plus hand tourist information, capturing the essential features of the Battles. The book contains many full color maps and photographs and detailed instructions on what to see and where to visit. Following in their best-selling series of Battlefield Guides this is a companion volume to the Holts Western Front South Guide. Between the two, they cover the main WW1 Western Front battlefields. This book covers 15 of the most significant battles of the northern area from Nieuwport to just north of The Somme. Whether travelling on the ground or in the mind, the reader is carefully guided through the battlefields with a mixture of succinct military history, cameo memories and stories of VCs and other personalities, interspersed with references to the literature and poetry of the war. This guidebook is based on Tonie and Valmai Holt's 30 years experience of researching, guiding tours and writing about the area, with their unique blend of male and female points of view. It is written to the high standards that have come to be expected of these highly respected authors who are credited with pioneering the modern battlefield tour and whose guide books are referred to as 'The Bibles' . This new edition contains: Brief Historical Background and Summary of each battle, Opening Moves and What Happened, with appropriate quotations Sketch Map for each battle showing battle lines, routes etc and all points of interest described on each timed itinerary Large Sketch Map putting the battlefields (north and south) into perspective Memorials, Museums, Sites of Interest (bunkers, craters etc) War Grave Cemeteries Allied and German GPS Location for every recommended stop War Graves and Commemorative Associations Cameos about individual personalities Useful Tourist Information Where to stay and eat Maurice has just killed a dragon with a bread knife. And had his destiny foretold... and had his true love spirited away. That's precisely the sort of stuff that'd bring out the latent heroism in anyone. Unfortunately, Maurice is pretty sure he hasn't got any latent heroism. Meanwhile, a man wakes up in a jar in a different kind of pickle (figuratively speaking). He can't get out, of course, but neither can he remember his name, or what gravity is, or what those things on the ends of his legs are called... and every time he starts working it all out, someone makes him forget again. Forget everything. Only one thing might help him. The answer to the most baffling question of all... WHEN IS A DOOR NOT A DOOR? As the battlefields of Gallipoli become even more firmly established on the tourist map, this book is bound to be as popular as it is useful. The format of Major and Mrs Holt's battlefield guides is by now tried and tested, providing as they do not only the historical background to the campaign but all the information needed to make a visit to the battlefields. First Battle of the Marne; The Aisne 1914; Verdun; The Somme 1916; Chemin des Dames 1917-1918; Cambrai; The Kaiser's Offensive; Second Battle of the Marne (The Ourcq, Chateau Thierry, Belleau Wood); St Mihiel: Champagne 1918; The Meuse-Argonne and Breaking the Hindenberg Line. Major and Mrs. Holt's Concise Illustrated Battlefield Guide to the Western Front - South contains many fascinating but little-visited areas by travelers and is hoped that they will be tempted further afield than the 'showcase' and sophisticatedly presented battlefields like the Somme to discover some marvelous sites. Many of them have lain virtually 'dormant' for many years (such as areas of the Meuse-Argonne and Champagne) but have recently been renovated and opened up by dedicated local enthusiasts. There are many 'gems' in store in this book. Each battlefield starts with some pertinent quotations by participants, has a succinct Summary of the Battle, Opening Moves and What Happened sections then a Battlefield Tour which follows the same tried and tested formula as the rest of the series of a timed and measured itinerary with historic and anecdotal information at each stop. A detailed Sketch Map showing battle lines and each stop on the route accompanies every battle using the same color code (of yellow for memorials, purple for cemeteries, blue for museums) as the larger Holts' Battle Maps. Together the two books Major and Mrs. Holt's Concise, Illustrated Concise Illustrated Battlefield Guide to the Western Front - South and North will form the most comprehensive and detailed English-language guides to the

World War I Western Front ever produced. Already the best-selling English-language guide to the area, universally known as THE BIBLE, this is the 75th anniversary, completely revised, up-to-date, much expanded edition of the DEFINITIVE GUIDE TO THE D-DAY NORMANDY LANDING BEACHES. The third in the Holts' important series of Battlefield Guides (following the Somme and the Ypres Salient) it employs the same, highly acclaimed formula. Once again the cold facts are interlaced with anecdotes of bravery, humour, sadness and humanity. This new edition now contains: All the landing Beaches: JUNO, SWORD, GOLD, OMAHA, UTAH All the Airborne Operations: British and American Two Approach Routes; Six timed and measured Itineraries 21 in-text Itinerary maps, Battle maps & Diagrams Approx 400 recommended sites within the D-Day planned area of advance, all with photos, each with Latitude & Longitude references (New for this Edition) Over 400 coloured pictures, 352 pages Memorials / Museums / Batteries / Bunkers / Landing fields Allied and German War Cemeteries Historical background to the landings The Plans and what actually happened Information about Allied and German War Graves Associations Veterans and other commemorative associations Normandy tourist information: Where to stay / where to eat Cameos about personalities - VCs / MOHs / Poets / Photographers etc Packaged with the Battle Map of the Normandy Landing Beaches showing the sea Assault formations for UTAH, OMAHA, GOLD, JUNO and SWORD Beaches and the air Assault Formations round Ste M Eglise and Pegasus Bridge; the D-Day Objectives and the Ground Gained on D-Day. Potential visitors and those interested in the finer details of the Normandy campaign will never find a more exhaustive guide than this one to all five D-Day landing beaches, the airborne drop zones, and surviving fortifications, as well as all cemeteries, memorials, museums, local accommodations, and other points of interest. Interest in the D-Day landings has never been greater on both sides of the Atlantic. No one knows the Normandy Campaign and countryside as it stands today better than Major and Mrs Holt, the pioneers of battlefield touring. The Seventh ship to bear the name, the Assault Ship and Commando Carrier HMS Fearless was first commissioned in 1965. Over the next 37 years she was seldom far from the actions in which British forces were engaged worldwide, be they in Aden, Malaysia and Borneo, Northern Ireland, the Cold War (Norway), South Rhodesia, Falklands, the Gulf, Afghanistan and so on. Thousands of sailors, Royal Marines and soldiers served on board over her 19 commissions. Now paid off, Fearless has a great story to tell and the Author, a former senior Royal Marine who knows her well, is superbly qualified to tell it. Timothy is on probation. It's a strange word—something that happens to other kids, to delinquents, not

to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middlegrade novel in verse about one boy's path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer. As the battlefields of Gallipoli become even more firmly established on the tourist map, this book is bound to be as popular as it is useful. The format of Major and Mrs Holt's battlefield guides is by now tried and tested, providing as they do not only the historical background to the campaign but all the information needed to make a visit to the battlefields. This guide book covers the present-day battlefield, and the actions that took place on and immediately behind the D-Day beaches, and Major and Mrs Holt's *Pocket Guide to Normandy* has been put together to take you around the area. This book, part of a new series of guides, is designed conveniently in a small size, for those who have only limited time to visit, or who are simply interested in as an introduction to the historic battlefields, whether on the ground or from an armchair. They contain selections from the Holts' more detailed guide of the most popular and accessible sites plus handy tourist information, capturing the essential features of the Battles. The book contains many full color maps and photographs and detailed instructions on what to see and where to visit. Three detailed driving itineraries, four walks and a history of the Ypres Salient are provided in this guide, where so many perished during the Great War of 1914 to 1918. It introduces readers to the places that still exist from that time, as well as including map references and a full index. This book has been designed to be used in conjunction with Major and Mrs Holt's *Battle Map of the Ypres Salient*. \* New full colour, excellent value guide from the unrivalled Battlefield touring experts \* The culmination of 30 years research and touring by the authors \* In tune with modern travelling all places recommended as visits have not just a photo (around 450 in all) but also GPS references for satnavs. \* The book will help you discover how to find This guide to the area of the Arnhem operation features hundreds of color photographs, detailed tours of all the monuments and battle sites, and a large color map in addition to numerous ones in the text. Besides tourists, re-enactors, gamers and readers fascinated with the drama of the Arnhem epic will find this an invaluable guide. An accompaniment to the best-selling guide to the area, now sold separately. Named one of the Top 25 Erotic Writers of All Time by "Romantic Times BOOKreviews," Holt delivers a sizzling new Regency novel about one woman's amorous adventures with a man who fuels her secret passions. Original. The Somme is the epicentre for most people in the study of the First World War from a UK and Commonwealth perspective. Today the landscape and terrain are dedicated to the soldiers that fought and died there and Major and Mrs Holt's *Pocket Guide to the Somme* has been put together to take you around the area. This book, part of a new series of guides, is designed conveniently in a small size, for those who have only limited time to visit, or who are simply interested in as an introduction to the historic battlefields, whether on the ground or from an armchair. They contain selections from the Holts' more detailed guides of the most popular and accessible sites plus handy tourist information, capturing the essential features of the Battles. The book contains many full colour maps and photographs and detailed instructions on what to see and where to visit. Republished to coincide with the new ITV film, *My Boy Jack?* starring Daniel Radcliffe, this is the full account of the tragic life of John 'Jack' Kipling. On 27th September 1915 John Kipling, the only son of Britain's best loved poet, disappeared during the Battle of Loos. The body lay undiscovered for 77 years. Then, in a most unusual move, the Commonwealth War Graves Commission (CWGC) re-marked the grave of an unknown Lieutenant of the Irish Guards, as that of John Kipling. There is considerable evidence that John's grave has been wrongly identified and for the first time in this book, the authors name the soldier they believe is buried in 'John's grave'. This is the first biography of John's short life, analysing the devastating effect it had on his famous father's work. Like the other books in the Holts' acclaimed Battlefield Guide Series (see inside front cover for details) this is much more than just a guidebook. It charts in fascinating detail what happened at each recommended stop and brings alive, with
