Orphaned and expendable, Alina Starkov is a soldier who knows she may not survive her first trek across the Shadow Fold - a swath of unnatural darkness crawling with monsters. But when her regiment is attacked, Alina unleashes dormant magic not even she knew she possessed. Now Alina will enter a lavish world of royalty and intrigue as she trains with the Grisha, her country's magical military elite and falls under the spell of their notorious leader, the Darkling. He believes Alina can summon a force capable of destroying the Shadow Fold and reuniting their war-ravaged country, but only if she can master her untamed gift. As the threat to the kingdom mounts and Alina unlocks the secrets of her past, she will make a dangerous discovery that could threaten all she loves and the very future of a nation. After reincarnating in a different world, Cid enjoys playing his role as an "eminence in shadow." In order to rescue the princess, who has a personality as twisted as his, he launches his assault on the secret base of the Cult of Diablos! "This prelude...is mine to perform." The Guild of Navigators has ruled the Aion Sea

for centuries, using their fleet of mystical ships to collect trade for the Aurelian Empire. Now the Emperor is dead. For Calder Marten, Captain of The Testament, the Emperor's death is not an end, but an opportunity. He and his crew seek the legendary Heart of Nakothi, an artifact that could raise a second Emperor...and earn Calder a fortune. But they're not the only ones who want the Heart. The Consultant's Guild, an ancient order of spies and assassins, will stop at nothing to keep the world in chaos. They seek to destroy the Heart, and prevent the world from uniting under a single Emperor ever again. On the seas, a man works to restore the dying Empire. In the shadows, a woman seeks to destroy it. Will you explore the seas here with Calder? Or will you walk the shadows with Shera, in the parallel novel "Of Shadow and Sea"? A gentle story about sadness showing that sometimes all you need to feel better is the openness of someone who accepts you as you are. With the same intellectual incisiveness and supple, stylish prose he brought to his classic novel *Invisible Man*, Ralph Ellison examines his antecedents and in so doing illuminates the literature, music, and culture of both

black and white America. His range is virtuosic, encompassing Mark Twain and Richard Wright, Mahalia Jackson and Charlie Parker, *The Birth of a Nation* and the Dante-esque landscape of Harlem?"the scene and symbol of the Negro's perpetual alienation in the land of his birth." Throughout, he gives us what amounts to an episodic autobiography that traces his formation as a writer as well as the genesis of *Invisible Man*. On every page, Ellison reveals his idiosyncratic and often contrarian brilliance, his insistence on refuting both black and white stereotypes of what an African American writer should say or be. The result is a book that continues to instruct, delight, and occasionally outrage readers thirty years after it was first published. From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover

art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for *Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's*

darkest secrets--an epic story of murder, madness, and doomed love. From the acclaimed author of *Defy*, Sara B. Larson, *Sisters of Shadow and Light* is a timeless and fantastical tale of sisterly love and powerful magic. The night my sister was born, the stars died and were reborn in her eyes.... Zuhra and Inara have grown up in the Citadel of the Paladins, an abandoned fortress where legendary, magical warriors once lived before disappearing from the world—including their Paladin father the night Inara was born. On that same night, a massive, magical hedge grew and imprisoned them within the citadel. Inara inherited their father's Paladin power; her eyes glow blue and she is able to make plants grow at unbelievable rates, but she has been trapped in her own mind because of a "roar" that drowns everything else out—leaving Zuhra virtually alone with their emotionally broken human mother. For fifteen years they have lived, trapped in the citadel, with little contact from the outside world...until the day a stranger passes through the hedge, and everything changes. City, budding reporter Jenny Ryan is chasing the biggest story of her life. Everyone said the death of her beloved research scientist father was an accident, but she knows it was her fault. When an anonymous phone call puts the blame on wealthy industrialist Marcus Forrester, Jenny doesn't hesitate to act. Armed with absolutism and a tenacious drive for justice, she will stop at nothing to bring him down. She didn't count on falling for the key to her plan ? Forrester's mistress. On the surface, Kathryn Hammond has it all: a successful nightclub singing career, elegant grace, and stunning good looks that draw all eyes to her when she enters a room. No one can see her tragic past, or the demons she battles daily as she toils stateside, carrying out what she considers dead-end missions for the OSS while the real war rages in Europe. She knows nothing short of her death in service to the greater good will redeem her for the lives lost on a mission gone bad. All that changes when Jenny Ryan becomes her latest dead-end mission and awakens long dormant concepts like hope, redemption, and the worst thing that could happen to an agent toward their subject: desire. These two women, on very disparate paths, are caught

in a reluctant, slow burn that will save them, but at what cost, and are they willing to pay the price? The author offers exploration of self and practical guidance dealing with the dark side of personality based on Jung's concept of "shadow," or the forbidden and unacceptable feelings and behaviors each of us experience. Power can lead to a crown or a cage. Passion can give you wings? or a grave. The Coroner raised her scythe, but the forces of the Dalis razed her people to the ground. Keres' chains are now in the hands of her enemy and he's bringing her to heel. Twists of fate and warfare are entangling her. She must learn to play the strings or become the spell-bound puppet. Scapegoat. Fall guy. Puppet. Stooge. When a covert mission went full-on FUBAR, someone had to take the blame. Zeke Ericsson knows this. But he'd expected his CO—and the men he called brothers—to have his six. He was wrong. These days, his only allegiance is to himself. And if he's using his special skills to line his own pocket? All the better. He's vowed never put his life on the line for anyone ever again. Then she winds up in his crosshairs. And FUBAR doesn't even begin to describe what happens next. There was a time when the woods near

Duva ate girls...or so the story goes. But it's just possible that the danger may be a little bit closer to home. This story is a companion folk tale to Leigh Bardugo's debut novel, Shadow and Bone. The capital has fallen. The Darkling rules Ravka from his shadow throne. Now the nation's fate rests with a broken Sun Summoner, a disgraced tracker, and the shattered remnants of a once-great magical army. Deep in an ancient network of tunnels

and caverns, a weakened Alina must submit to the dubious protection of the Apparatus and the zealots who worship her as a Saint. Yet her plans lie elsewhere, with the hunt for the elusive firebird and the hope that an outlaw prince still survives. Alina will have to forge new alliances and put aside old rivalries as she and Mal race to find the last of Morozova's amplifiers. But as she begins to unravel the Darkling's secrets, she reveals a past that will forever alter her understanding of the bond they share and the power she wields. The firebird is the one thing that stands between Ravka and destruction--and claiming it could cost Alina the very future she's fighting for. *Ruin and Rising* is the thrilling final installment in Leigh Bardugo's *Grisha Trilogy*. Once a mighty kingdom reigned, but now all is chaos. In the vast reaches of the desert, a young heretic escapes certain death and embarks on a mission of madness and glory. He is El Murid - the Disciple - who vows to bring order, prosperity and righteousness to the desert people of Hammad al Nakir. El Murid incites rebellion against the godless kingdoms and tribes as he plots to execute the justice of the desert. After four long

centuries, El Murid is the savior who is destined to build a new empire from the blood his enemies. Or so it seems. El Murid has victory in his grasp, the desert tribes of Hammad al Nakir are rallying around him, and the last remaining thread of the royal lineage wanders the desert with only Heathens to help him. But all is not as it seems, and the sinister forces pulling the strings of empire come into the light. Who and what lies behind El Murid's vision of a desert empire? *The Dread Empire*, a gritty world of larger-than-life plots, nation-shattering conflict, maddening magic, strange creatures, and raw, flawed heroes, all shown through the filter of Glen Cook's inimitable war-correspondent prose. *The Dread Empire*, spanning from the highest peaks of the Dragon's Teeth to the endless desert lands of Hammad al Nakir, from besieged Kavelin to mighty Shinshan, the *Empire Unacquainted with Defeat*, with its fearless, masked soldiers, known as the Demon Guard... *An Empire Unacquainted with Defeat* collects all of Glen Cook's short fiction set in the vast world of the *Dread Empire*, from "The Nights of Dreadful Silence", featuring the first appearance of Bragi Ragnarson, Mocker, and Haroun bin

Yousif, to the culture-clashing novella "Soldier of an Empire Unacquainted with Defeat"; from "Silverheels", Cook's first published work of fiction, to "Hell's Forge", a haunting tale of cursed pirates and strange lands, appearing here for the first time. Also including a detailed introduction and extensive story notes by Glen Cook, An Empire Unacquainted with Defeat charts the development of this influential American author and the massive, multifaceted world that he created. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors. A deliciously gothic story of wishes and curses - a new dark fairy tale set against a Victorian backdrop full of

lace and smoke. 'Deliciously dark' Woman Magazine The Shadow Fold, a swathe of impenetrable darkness, crawling with monsters that feast on human flesh, is slowly destroying the once-great nation of Ravka. Alina, a lonely orphan, discovers a unique power that thrusts her into the lavish world of the kingdom's magical elite - the Grisha. Hunted across the True Sea and haunted by the lives she took on the Fold, Alina must try to make a life with Mal in an unfamiliar land, all while keeping her identity as the Sun Summoner a secret, in this follow-up to the "New York Times" bestseller "Shadow and Bone." #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series-set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania-she's not the well protected Maiden

but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death. "There's something eerie about the forest late at night, when the moon is your only source of light. Sounds feel intensified—every critter scurrying in the brush makes your heart lurch. I used to think that this would feel freeing, like being in the trees alone would feel as if I were the only person in the world. How naive of me. The forest has eyes lurking in the shadows that only the moon can see." Witches, Shadow Walkers, werewolves, and vampires roam the lands, but Dani's blood holds the cure to a deadly

curse that could end a war... Or start a new one. Kol is the land's most dangerous Shadow Walker, but his decisions land him in trouble, and he must find Dani in exchange for his freedom. But when sworn enemies spark romance and the shadows emerge, both Dani and Kol are thrown into lives and worlds they could have never dreamed of. Returning home after serving in World War II to run his family business in New York, paratrooper Harry Copeland falls in love with young singer and heiress Catherine Thomas Hale, who risks everything to break off her engagement to another man. By the author of *Winter's Tale*. (This book was previously listed in *Forecast*.) 100,000 first printing. The films of Orson Welles inhabit the spaces of cities—from America's industrializing midland to its noirish borderlands, from Europe's medieval fortresses to its Kafkaesque labyrinths and postwar rubblescapes. His movies take us through dark streets to confront nightmarish struggles for power, the carnivalesque and bizarre, and the shadows and light of human character. This ambitious new study explores Welles's vision of cities by following recurring themes across his work, including urban transformation, race relations and

fascism, the utopian promise of cosmopolitanism, and romantic nostalgia for archaic forms of urban culture. It focuses on the personal and political foundation of Welles's cinematic cities—the way he invents urban spaces on film to serve his dramatic, thematic, and ideological purposes. The book's critical scope draws on extensive research in international archives and builds on the work of previous scholars. Viewing Welles as a radical filmmaker whose innovative methods were only occasionally compatible with the commercial film industry, this volume examines the filmmaker's original vision for butchered films, such as *The Magnificent Ambersons* (1942) and *Mr. Arkadin* (1955), and considers many projects the filmmaker never completed—an immense "shadow oeuvre" ranging from unfinished and unreleased films to unrealized treatments and screenplays.

Nellie Y. McKay (1930–2006) was a pivotal figure in contemporary American letters. The author of several books, McKay is best known for coediting the canon-making *Norton Anthology of African American Literature* with Henry Louis Gates Jr., which helped secure a place for the scholarly study of Black writing that had been ignored by white

academia. However, there is more to McKay's life and legacy than her literary scholarship. After her passing, new details about McKay's life emerged, surprising everyone who knew her. Why did McKay choose to hide so many details of her past? Shanna Greene Benjamin examines McKay's path through the professoriate to learn about the strategies, sacrifices, and successes of contemporary Black women in the American academy. Benjamin shows that McKay's secrecy was a necessary tactic that a Black, working-class woman had to employ to succeed in the white-dominated space of the American English department. Using extensive archives and personal correspondence, Benjamin brings together McKay's private life and public work to expand how we think about Black literary history and the place of Black women in American culture.

Hugh does not like walking home alone through the woods which the other children say is inhabited by a monster, but today he has no choice, and it is not only his shadow that follows him--and that is only one of five scary stories included in this collection.

Language of Thorns: Midnight Tales and Dangerous Magic New York Times and USA Today best-selling author Nominated Best First Novel, International Thriller Writers This is a world you would never want to enter . . . or forget Pull a trigger and everything changes. Medical student Laura Nelson had just finished examining her first patient when she is forced to make a split-second decision that will alter the course of her life—forever. One life will end, and one life will never be the same. But keeping her dreadful secret will be one of the toughest challenges Laura will ever face. With a persistent and perceptive detective hot on her trail and a host of eerie incidents suggesting that maybe her secret isn't really a secret, Laura is drawn into an unseemly web of peril, deceit, and treachery and is forced to risk both her freedom and her sanity. Will her deadly secret come to light, or must she live forever in the shadow of death? Set amidst the upheaval and smoldering chaos of the Detroit riots of 1967, *Shadow of Death* is a haunting tale of unrest, fear, and consequences. Hailed as a stunning debut novel, *Shadow of Death* provides a spine-chilling glimpse of what lurks in the shadows. Perfect for fans of

Tess Gerritsen and Kathy Reichs While all of the novels in the Laura Nelson Series stand on their own and can be read in any order, the publication sequence is: *Shadow of Death* *Twisted Justice* *Weapon of Choice* *After the Fall* *Game of Thrones* meets *Shadow and Bone* in the second book in this action-packed fantasy from Andrea Robertson, the internationally bestselling author of the *Nightshade* series. Ara has taken up her mantle as the Loresmith--but her journey is far from over. After suffering betrayals and losses, Ara, Nimhea, Lahvja, and Teth must try to come together and find the Loreknights across the kingdom. The Loreknights are their only hope in overthrowing the evil Vokkans and putting Nimhea on the throne for good. But their journey will put Ara and her companions in grave danger--from the endless pursuit of the Vokkans to perilous encounters with the gods, and the near impossible trials they face along the way--will they be able to survive long enough to help the rebellion? And through it all the Vokkans are expanding their reach throughout Saetlund, putting everyone Ara and her friends love at risk. Only Ara can forge a way forward, take up her powers, and fight to change the

world--no matter what it costs. From internationally bestselling author Andrea Roberston comes the second book in a gorgeously written new fantasy series perfect for readers of Leigh Bardugo's *Shadow and Bone* or Sabaa Tahir's *An Ember in the Ashes* series. When Nora Kane discovers her best friend murdered and her boyfriend the apparent killer, she is caught up in a web of secret societies and conspirators, all searching for a device purported to allow direct communication with God. In the shadows, vision can turn blurry. Truths can become lies. Enemies can become lovers. When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape—including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her crystal clarity suddenly

becomes blurry. Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... everything. Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. They chose him for one reason, and one reason only - the taste of human blood does things to him. Addictive, dark, insatiable things. And when he catches Violet's scent, they know he'll do everything in his power to covet her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him. The *Secrets in Shadow and Blood* is the next installment in the *Fae Guardians* series, and the first in the *Season of the Vampire Trilogy*. Each book features a separate couple with a satisfying HEA, but to enjoy the full benefits of the over arching plot, start the *Fae Guardian* journey with book one of *Fae Guardians: Season of the Wolf*. All *Fae Guardian* books include steamy romance, a splash of time travel, monster hunting, a band of brothers, fated mates, growly fae

protectors, and their strong willed women from our time. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.; Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold. The world is a far different place in 2259. Thirty years of world war, rampant bombing, and the melting of the polar ice sheets have changed the very face of the planet. The former countries of Canada, Mexico, and the United States of America have banded together as the North American Alliance, led by distinguished military hero President Walker. His daughter Poppy has served as the First Lady of the North American Alliance since she was only twelve years old, helping her father restore order to the chaotic new world they live in. Now nineteen, Poppy finds herself caught in the middle of a government takeover and dodging assassins. After fleeing to the war-torn ruins of Denver, she must face unknown

dangers and new experiences. She will have to use every skill learned from her military upbringing to survive the terrifying beasts, deadly plant life, and fierce rebels who live in the shadows of the abandoned city. *I See a Shadow* is a charming picture book that delivers a bright new take on the concept of shadows and the delight of imagination, from debut author/illustrator Laura Breen. Shadows are fun. They can be funny, too. Mostly, shadows are all around us, and not always what they seem. Here is a delightful, graphic celebration of imagination.
