Father of the Bride meets *Sixteen Candles* in the latest novel from New York Times bestselling author Morgan Matson. Charlie Grant’s older sister is getting married this weekend at their family home, and Charlie can’t wait—for the first time in years, all four of her older siblings will be under one roof. Charlie is desperate for one last perfect weekend, before the house is sold and everything changes. The house will be filled with jokes and games and laughs again. Making decisions about things like what college to attend and reuniting with longstanding crush Jesse Foster—all that can wait. She wants to focus on making the weekend perfect. The only problem? The

weekend is shaping up to be an absolute disaster. There's the unexpected dog with a penchant for howling, house alarm that won't stop going off, and a papergirl with a grudge. There are the relatives who aren't speaking, the (awful) girl her favorite brother brought home unannounced, and a missing tuxedo. Not to mention the neighbor who seems to be bent on sabotage and a storm that is bent on drenching everything. The justice of the peace is missing. The band will only play covers. The guests are all crazy. And the wedding planner's nephew is unexpectedly, distractingly...cute. Over the course of three ridiculously chaotic days, Charlie will learn more than she ever expected about the family she thought she knew by heart. And she'll realize that sometimes, trying to keep everything like it was in the past means missing out on the future. Royalty. Magic. Love. Betrayal. It's in Their Blood. Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world. Katerina must navigate the dark secrets of court life while keeping hidden her own mission: kill the queen. Jacob will go to unthinkable lengths to win Katerina, even if it means having to compete with Hephæstion, a murderer sheltered by the prince. And far across the sea, Zofia, a Persian princess, seeks the deadly Spirit Eaters to alter her destiny. The capital has fallen. The Darkling rules Ravka from his shadow throne. Now the nation's fate rests with a broken Sun Summoner, a disgraced tracker, and the shattered remnants of a once-great magical army. Deep in an ancient network of tunnels and caverns, a weakened Alina must submit to the dubious protection of the Apparatus and the zealots who worship her as a Saint. Yet her plans lie elsewhere, with the hunt for the elusive firebird and the hope that an outlaw prince still survives. Alina will have to forge new alliances and put aside old rivalries as she and Mal race to find the last of Morozova's amplifiers. But as she begins to unravel the Darkling's secrets, she reveals a past that will forever alter her understanding of the bond they share and the power she wields. The firebird is the one thing that stands between Ravka and destruction--and claiming it could cost Alina the very future she's fighting for. *Ruin and Rising* is the thrilling final installment in Leigh Bardugo's *Grisha Trilogy*. Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold. A true story of

men against the sea. A smart and terrifying teen horror novel inspired by Agatha Christie's *And Then There Were None*, from Get Even author Gretchen McNeil—now a Lifetime Original Movie! Ten teens. Three days. One killer. It was supposed to be the weekend of their lives—an exclusive house party on Henry Island. Best friends Meg and Minnie are looking forward to two days of boys, booze, and fun-filled luxury. But what starts out as fun turns twisted after the discovery of a DVD with a sinister message: Vengeance is mine. And things only get worse from there. With a storm raging outside, the teens are cut off from the outside world . . . so when a mysterious killer begins picking them off one by one, there's no escape. As the deaths become more violent and the teens turn on one another, can Meg find the killer before more people die? Or is the killer closer to her than she could ever imagine? Perfect for fans of Christopher Pike's *Chain Letter* and Lois Duncan's *I Know What You Did Last Summer*, *Ten* will keep readers on the edge of their seats until the very last page!

Peace and Turmoil is the first installment in an epic fantasy series following heirs from across the land of Abra'am as they try to navigate magic, politics, and fiends. *The Wonderful Wizard of Oz* chronicles the adventure of Dorothea in the land of Oz. A cyclone picks her up from her Kansas home, where she lives with her aunt and uncle, and deposits her in the fantastical land. She begins a journey along the yellow brick road to seek help from the Wizard of Oz. On her way she meets her fair share of witches (good and bad) and a scarecrow without a brain, a tinman without a heart and a cowardly lion. They travel together to the Emerald City to seek audience with the wizard. There was a time when the woods near Duva ate girls...or so the story goes. But it's just possible that the danger may be a little bit closer to home. This story is a companion folk tale to Leigh Bardugo's debut novel, *Shadow and Bone*. From Jennifer Donnelly, the critically acclaimed New York Times bestselling author of *A Northern Light* and *Revolution*, comes a mystery about dark secrets, dirty truths, and the lengths to which people will go for love and revenge. For fans of Elizabeth George and Libba Bray, *These Shallow Graves* is the story of how much a young woman is willing to risk and lose in order to find the truth. Jo Montfort is beautiful and rich, and soon—like all the girls in her class—she'll graduate from finishing school and be married off to a wealthy bachelor. Which is the last thing she wants. Jo dreams of becoming a writer—a newspaper reporter like the trailblazing Nellie Bly. Wild aspirations aside, Jo's life seems perfect until tragedy strikes: her father is found dead. Charles Montfort shot himself while cleaning his pistol. One of New York City's wealthiest men, he owned a newspaper and was a partner in a massive shipping firm, and Jo knows he was far too smart to clean a loaded gun. The more Jo hears about her father's death, the more something feels wrong. Suicide is the only logical explanation, and of course people have started talking, but Jo's father would never have resorted to that. And then she meets Eddie—a young, smart, infuriatingly handsome reporter at her father's newspaper—and it becomes all too clear how much she stands to lose if she keeps searching for the truth. But now it might be too late to stop. The past never stays buried forever. Life is dirtier than Jo Montfort could ever have imagined, and this time the truth is the dirtiest part of all. *Three Dark Crowns* meets *Pretty Little Liars* in this sensational and striking new fantasy from

Galaxy "Alex" Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And,

sometimes, they prey on the living. Don't miss the highly-anticipated sequel, *Hell Bent*. A young woman imprisoned by the Salt King must navigate not only court intrigue and a mounting rebellion but her own heart after she discovers the secret to the Salt King's tyranny over the desert. **NOW A MAJOR MOTION PICTURE**—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder.
