Sweet '60 Nov 30 2020 *Sweet '60*: The 1960 Pittsburgh Pirates is the joint product of 44 authors and editors from the Society for American Baseball Research (SABR) who have pooled their efforts to create a portrait of the 1960 team which pulled off one of the biggest upsets of the last 60 years. Game Seven of the 1960 World Series between the Pirates and the Yankees swung back and forth. Heading into the bottom of the eighth inning at Forbes Field, the Yankees had outscored the Pirates, 53-21, and held a 7-4 lead in the deciding game. The Pirates hadn't won a World Championship since 1925, while the Yanks had won 17 of them in the same stretch of time, seven of the preceding 11 years. The Pirates scored five times in the bottom of the eighth and took the lead, only to cough it up in the top of the ninth. The game was tied 9-9 in the bottom of the ninth. At 3:36, Bill Mazerowski swung at Ralph Terry's slider. As Curt Smith writes in these pages: "There goes a long drive hit deep to left field!" said Gunner. "Going back is Yogi Berra! Going back! You can kiss it good-bye!" No smooch was ever lovelier. "How did we do it, Possum? How did we do it?" Prince said finally, din all around. Woods didn't know—only that, "I'm looking at the wildest thing since I was on Hollywood Boulevard the night World War II ended." David had toppled Goliath. It was a blow that awakened a generation, one that millions of people saw on television, one of TV's first iconic World Series moments.

The Doctors Who's Who - The Story Behind Every Face of the Iconic Time Lord: Celebrating its 50th Year Jul 19 2022 Doctor Who is the world's longest-running science fiction television series, and has had children hiding behind sofa's since it was first broadcast in 1963. Eleven actors have played the famous Time Lord, starting with William Hartnell, and it has been a career landmark for all of them. Indeed, no other role in television history is as iconic, demanding, or as anticipated by its legions of fans as that of the famous time traveller with two hearts. Find out: * Who was a bouncer for The Rolling Stones before taking control of the Tardis. * Who was nearly blown up in the Second World War aboard HMS Hood. * Who had a fondness for woolly hats and had a grandson who would become Harry Potter's nemesis. * Who played a transvestite barmaid before becoming a Doctor Who heart-throb. Go back in time and read the human story behind a TV legend.

The Face of the Ancient Orient Sep 09 2021 Fascinating study examines Sumerians, Babylonians, Egyptians, Hittites, Canaanites, Israelites, Persians, others. "...a valuable introduction, perhaps the best available in English." — American Historical Review. 32 halftones. 5 figures. 1 map.

Outlook and Independent May 05 2021

Nefertiti's Face Feb 26 2023 Little is known about Nefertiti, the Egyptian queen whose name means "a beautiful woman has come." She was the wife of Akhenaten, the pharaoh who ushered in the dramatic Amarna Age, and she bore him at least six children. She played a prominent role in political and religious affairs, but after Akhenaten's death she apparently vanished and was soon forgotten. Yet Nefertiti remains one of the most famous and enigmatic women who ever lived. Her instantly recognizable face adorns a variety of modern artifacts, from expensive jewelry to cheap postcards, t-shirts, and bags, all over the world. She has appeared on page, stage, screen, and opera. In Britain, one woman has spent hundreds of thousands of pounds on plastic surgery in hope of resembling the long-dead royal. This enduring obsession is the result of just one object: the lovely and mysterious Nefertiti bust, created by the sculptor Thutmose and housed in Berlin's Neues Museum since before World War II. In *Nefertiti's Face*, Egyptologist Joyce Tyldesley tells the story of the bust, from its origins in a busy workshop of the late Bronze Age to its rediscovery and controversial removal to Europe in 1912 and its present status as one of the world's most treasured artifacts. This wide-ranging history takes us from the temples and tombs of ancient Egypt to wartime Berlin and engages the latest in Pharaonic scholarship. Tyldesley sheds light on both Nefertiti's life and her improbable afterlife, in which she became famous simply for being famous.

Facing Fascism and Confronting the Past Jun 06 2021 Examines German women's literary and cultural representations of the Nazi era.

Black Page Notebook/Journal with Lined and Blank Pages: 6 x 9 Inch Notebook with 110 Pages.

Pirate Gold: The 1960 Season Jun 18 2022 *Pirate Gold: The 1960 Season* is a day by day account of the 1960 Pittsburgh Pirates, who rose from a decade of futility to become the champions of major league baseball. After exceeding expectations to win the National League pennant, they found themselves matched in the World Series against the most prolific dynasty baseball had ever seen: the New York Yankees. Featuring stars like Mickey Mantle, Roger Maris, Yogi Berra and Whitey Ford, the Yankees were entering their tenth World Series in a twelve year span. The Yankees pummeled the Pirates in three games of the World Series by scores of 16-3, 12-0, and 10-0. But the determined Pirates, led by Vern Law, Roy Face, Roberto Clemente and Bill Mazerowski managed to win three close games to force a seventh game showdown for the championship. It was the seventh and decisive game, won in a manner unprecedented in the history of the World Series, that gave us the treasure of *Pirate Gold*.

Each project features step-by-step instructions, plus highly-detailed illustrations and side panels offering top tips on fundamental artistic techniques.

Pirate Modernity Nov 11 2021 Using Delhi's contemporary history as a site for reflection, *Pirate Modernity* moves from a detailed discussion of the technocratic design of the city by US planners in the 1950s, to the massive expansions after 1977, culminating in the urban crisis of the 1990s. As a practice, pirate modernity is an illicit form of urban globalization. Poorer urban populations increasingly inhabit non-legal spheres: unauthorized neighborhoods, squatter camps and bypass legal technological infrastructures (media, electricity). This pirate culture produces a significant enabling resource for subaltern populations unable to enter the legal city. Equally, this is an unstable world, bringing subaltern populations into the harsh glare of permanent technological visibility, and attacks by urban elites, courts and visceral media industries. The book examines contemporary Delhi from some of these sites: the unmaking of the city's modernist planning design, new technological urban networks that bypass states and corporations, and the tragic experience of the road accident terrifyingly enhanced by technological culture. *Pirate Modernity* moves between past and present, along with debates in Asia, Africa and Latin America on urbanism, media culture, and everyday life. This pioneering book suggests cities have to be revisited afresh after proliferating media culture. *Pirate Modernity* boldly draws from urban and cultural theory to open a new agenda for a world after media urbanism.

Faces of Silence in Ancient Greek Literature Mar 23 2020 The volume offers new insights into the intricate theme of silence in Greek literature, especially drama. Even though the topic has received respectable attention in recent years, it still lends itself to further inquiry, which embraces silence's very essence and boundaries; its applications and effects in particular texts or genres; and some of its technical features and qualities. The particular topics discussed extend to all these three areas of inquiry, by looking into: silence's possible role in the performance of epic and lyric; its impact on the workings of praise-poetry; its distinct deployments in our five complete ancient novels; Aristophanic, comic and otherwise, silences; the vocabulary of the unspeakable in tragedy; the connections of tragic silence to power, authority, resistance, and motivation; female tragic silences and their transcendence, against the background of male oppression or domination; famous tragic silences as expressions of the ritualized isolation of the individual from both human and divine society. The emerging insights are valuable for the broader interpretation of the relevant texts, as well as for the fuller understanding of central values and practices of the society that created them.

Journal of Health, Physical Education, Recreation Jan 13 2022

Pirate's Treasure Feb 20 2020 This is a book about pirates and goofy animal-like characters. It's about one such pirate, Lasimer Casper Johnny, who is sentenced to live the rest of his days marooned on an island with a pig-like people tribe. They want to eat him, he wants to eat one of them. There are also rocks and trees that talk. Come meet Ariel and Professor Shank who accidentally find their way to this place where the pirate lives. Something happens where Lasimer believes Ariel is a witch bent on sending his soul to Hades. They get plunged into a nightmare dimension that plops them right into the clutches of the evil tyrant Zartharyos. This is the perfect book for children who just love pirate adventures... NOTE: The character Zartharyos in this story can also be found in another book: *Galactic Pioneers*, for any science-fiction loving child, or adult too for that matter.

A Pirate's Journey Ends Jan 21 2020 *A Pirate's Journey Ends* is a classic tale. It is the story of two young London boys who are growing up in poverty. One of the boys has a friend who has gained wealth by sailing on a pirate ship. This friend convinces the two boys that once they become older they can both become wealthy by joining him on his pirate ship. While growing older they practice their sword fighting skills with wooden swords. When they reach the age of seventeen they join the pirate ship. They sail out into the Indian Ocean and board a merchant ship that has been trading with Africa. The ship is loaded with gold coins and diamonds. The two young boys are now rich and try to join the wealthy aristocrats at their monthly dance party held at the Woodington mansion.

Yesterday's Faces Oct 10 2021 More than forty criminal heroes are examined in this volume. They include evil characters such as Dr. Fu Manchu, Li Shoon, Black Star, the Spider, Rafferty, Mr. Clackworthy, Elegant Edward, Big-nose Charlie, Thubway Tham, the Thunderbolt, the Man in Purple, and the Crimson Clown, plus many, many more! The development of these characters is traced across more than two decades of crime fiction published in *Detective Story Magazine*, *Flynn's*, *Black Mask*, and other magazines. The conventions that made these stories a special part of popular fiction are examined in detail.

The Face of Mammon May 25 2020 'The Face of Mammon' studies the coins of 16th-century England as they are articulated in literary writing. It argues that the coinage of the 16th century is a very different object from the money that we know in that modern money is the object of a discourse, economics, that had not yet taken shape.

Maritime Piracy and the Construction of Global Governance Nov 23 2022 Piratical attacks have become more frequent, violent, costly and increasingly threaten to undermine order in the international system. Much attention has focused on Somalia, but piracy is a problem worldwide. Recent coordination efforts among states in South East Asia appear to have helped in the area, but elsewhere piracy has expanded. Interestingly, international law has long recognized piracy as a crime and provided tools for universal suppression, yet piracy persists. In this book, a handpicked group of leading experts in the field of International Relations use maritime piracy as a means to expose the incongruities in our understanding of global governance. Using broadly constructivist approaches to understand international actors' responses to the challenges created by maritime piracy, the contributors question a number of myths and misconceptions around piracy and analyze the various ways that international law and organizations channel actors' understandings of maritime piracy and their efforts to respond to it. In doing so, they expose some shaky foundations for IR theorists: how do we conceive of governance and legitimacy when they are delinked from the territorial aspect of the modern nation-state? What happens to prospects for cooperation when we get to

the nitty-gritty questions of practice related to paying for trials, imprisoning and maintaining captured pirates, bearing the burden of policing sea-lanes, or even determining what constitutes a pirate? Does anyone have a monopoly on the legitimate use of force at sea, and how is that legitimacy constructed? Maritime Piracy and the Construction of Global Governance offers an improved theoretical understanding of the response of the international community to maritime piracy and broadens our understanding of the complex and sometimes countervailing motivations of all the actors involved, from international organizations and states down to the pirates themselves.

Early Communication Skills Jan 01 2021 'Early Communication Skills' has been a popular and widely used publication since becoming available in 1991. Now in its third edition, the resource retains its original approach to communication, providing a source of fresh educational and therapeutic ideas for pre-school children. Special features: a question and answer section designed to answer all common concerns; exercise and worksheets; over 100 activities are provided, spanning all areas of communication from pre-verbal skills to early words. Charlotte Lynch, Paediatric Speech and Language Therapist. Julia Kidd, Paediatric Speech and Language Therapist.

The Culture of Piracy, 1580–1630 Dec 12 2021 Listening to what she terms 'unruly pirate voices' in early modern English literature, in this study Claire Jowitt offers an original and compelling analysis of the cultural meanings of 'piracy'. By examining the often marginal figure of the pirate (and also the sometimes hard-to-distinguish privateer) Jowitt shows how flexibly these figures served to comment on English nationalism, international relations, and contemporary politics. She considers the ways in which piracy can, sometimes in surprising and resourceful ways, overlap and connect with, rather than simply challenge, some of the foundations underpinning Renaissance orthodoxies-absolutism, patriarchy, hierarchy of birth, and the superiority of Europeans and the Christian religion over other peoples and belief systems. Jowitt's discussion ranges over a variety of generic forms including public drama, broadsheets and ballads, prose romance, travel writing, and poetry from the fifty-year period stretching across the reigns of three English monarchs: Elizabeth Tudor, and James and Charles Stuart. Among the early modern writers whose works are analyzed are Heywood, Hakluyt, Shakespeare, Sidney, and Wroth; and among the multifaceted historical figures discussed are Francis Drake, John Ward, Henry Mainwaring, Purser and Clinton. What she calls the 'semantics of piracy' introduces a rich symbolic vein in which these figures, operating across different cultural registers and appealing to audiences in multiple ways, represent and reflect many changing discourses, political and artistic, in early modern England. The first book-length study to look at the cultural impact of Renaissance piracy, *The Culture of Piracy, 1580-1630* underlines how the figure of the Renaissance pirate was not only sensational, but also culturally significant. Despite its transgressive nature, piracy also comes to be seen as one of the key mechanisms which served to connect peoples and regions during this period.

Texas Monthly Apr 04 2021 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Encyclopedia of Weird Detectives Oct 18 2019 The detective genre has explored supernatural and paranormal themes throughout its colorful history. Stories of detectives investigating spiritualists, ghostly apparitions, the occult and psychics have spanned pulp fiction magazines, comic books, novels, film, television, animation and video games. This encyclopedia covers the history of the genre in its multiple forms and informs and adds to the knowledge of either the new or informed reader. Its A-Z format provides ready reference by title. Detective fans browsing for new discoveries will enjoy the entertaining style.

Angel Faces Feb 02 2021 Vendicare, from the Italian – to avenge or have revenge. “Vendicare is an independent contractor who quite simply deal with jobs that no government or organisation can put their name to. The world’s a dirty place and we are the ones who do the clean-ups. We don’t answer to any particular government.” Beneath the sight of the public and the media, the organisation Vendicare operates as a truly international task force, taking on the jobs that governments and official bodies refuse to dirty their hands with. Highly trained, technologically advanced and militarily exceptional, billionaire Vincent Natalie runs a powerful organisation that affects the world on a grand scale. Their latest mission, ‘Angel Faces’, will take them into the heart of hostile territory in Africa to face some of the most influential and feared terrorists of the modern era. But there could be far more at stake for the team on a personal level than they ever imagined... As the group face the challenge of keeping order and peace on a global scale, will the weight of expectation prove too much for the men and women facing the ultimate responsibility? Combining pulse-pounding action with a deeply emotional human story, *Angel Faces* is truly a thriller for the 21st century.

Prosecuting Juvenile Piracy Suspects Oct 22 2022 Duncan Gaswaga, a former judge of the Seychelles Supreme Court who has presided over numerous piracy trials, asked the following question: "What is a judge to do when a bearded piracy suspect facing justice asserts that he is fourteen?" This book addresses this important question by focusing on the treatment of juvenile piracy suspects under international law within national prosecutorial regimes. Beginning with the modern-day Somali piracy model, and exploring the reasons for piracy organizers and financiers to have employed Somali youth as pirates, author Milena Sterio analyzes the relevant international legal framework applicable to the treatment of juvenile criminal suspects, such as international human rights law, international criminal law, including the statutes of several international and ad hoc tribunals, as well as legal issues related to the use of child soldiers, as a parallel to the use of child pirates. This volume examines recent national piracy prosecutions involving juvenile suspects in Germany, Spain, India, Italy, Malaysia, the Seychelles, and the United States, developing a set of recommendations and best practices for all piracy prosecuting nations dealing with juvenile suspects to refer to in developing their national policy toward the treatment of juvenile piracy suspects.

The Eagle's Prophecy (Eagles of the Empire 6) Jan 25 2023 IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! THE EAGLE'S PROPHECY is the powerful sixth novel in Simon Scarrow's bestselling *Eagles of the Empire* series. Perfect for fans of Bernard Cornwell. Praise for Simon Scarrow's gripping novels: 'Ferocious and compelling' Daily Express The Adriatic Sea, AD 45. Cato and Macro, centurions of the Roman army, are horrified to learn that they face possible execution after the death of their commanding officer. Fortunately, the Emperor's secretary is willing to offer them an alternative: to join the marines and hunt down a band of brutal pirates who are decimating not only Rome's reputation, but also a critical supply chain. As they discover the true horror of battle at sea, Macro and Cato must also remember their real mission: to recover from those pirates a set of scrolls that hold secrets vital to the future of the Roman Empire. Rome will do anything to get them back...

Journal of the Bath and West of England Society May 17 2022

Dr. Strange-glove Aug 20 2022 Dick Stuart (1932-2002) began as a minor league first baseman, noted for his outsized ego and terrible fielding. His brash personality and 66 home runs for the Lincoln Chiefs of the Western League made him a national figure in 1956. In 1958, he came up to the majors in Pittsburgh and played some fine seasons with the Pirates, and later the Boston Red Sox. In 1961, he was selected for the National League All-Star team, and he led the American League in RBI in 1963. A wise-cracking bon vivant, his career was not what it might have been. If he had worked harder, he might have been a better player. If Bill Mazeroski hadn't ended the 1960 Series with a home run, Stuart, who was on deck, might have been the hero. Yet his great hitting ability, quick wit and love for the limelight made him one of the most interesting players of his era.

Suppressing Piracy in the Early Eighteenth Century Oct 30 2020 This book charts the surge and decline in piracy in the early eighteenth century (the so-called "Golden Age" of piracy), exploring the ways in which pirates encountered, obstructed, and antagonised the diverse participants of the British empire in the Caribbean, North America, Africa, and the Indian Ocean. The book's primary focus is on how anti-piracy campaigns were constructed as a result of the negotiations, conflicts, and individual undertakings of different imperial actors operating in the commercial and imperial hub of London; maritime communities throughout the British Atlantic; trading outposts in West Africa and India; and marginal and contested zones such as the Bahamas, Madagascar, and the Bay Islands. It argues that Britain and its empire was not a strong centralised imperial state; that the British imperial administration and the Royal Navy did not have the resources to mount a state-led, empire-wide war against piracy following the sharp increase in piratical attacks after 1716; and that it was only through manifold activities taking place in different colonial centres with varied colonial arrangements, economic strengths, and access to resources for maritime defence - which was often shaped by competing and contradictory interests - that Atlantic piracy was gradually discouraged, although not eradicated, by the mid-1720s.

Safe in the Pirate's Arms Jul 27 2020 Her breath caught in her throat as the white sails came into view. She watched The Lady sail into port grandly. Although it was a known Pirate ship she couldn't help but admire it. ••• He wanted to see her again. He'd only caught site of her quickly on the docks. Who was she? She'd been like a breath of fresh air. ••• Their fates were entwined. Although he was deemed a pirate by most, those that knew him were aware of the truth. He would protect her With his life. ••• Their lives were changed forever the moment she stowed away on his ship.

Two Faces of Life Mar 03 2021 During my 33 years in the United States, I wrote around two dozen essays in English for my hobbies and my school projects. These essays reflected my view of philosophy, politics, and human rights of the time. Today, I have reviewed them and selected 16 essays for this book - Two Faces of Life. Why did I choose this title? I thought that everybody might have two faces: one for the real person (as same as the front of a medal) and one for the hidden side, where there are secret thoughts and goings-on.
