We've all done things we regret in a moment of desperation, but declaring myself Queen of Night takes the cake, especially when I didn't actually mean it. They're determined to not only hurt me, but all of witchkind by exposing us to the world. They should have known better than to try and cross me twice. clear, nonthreatening introduction to the 12-volt electrical systems used on small boats to power everything from reading lights to bilge pumps. This second edition is thoroughly updated with respect to modern batteries, breaker and panel design, alternative energy sources, and troubleshooting equipment, but it retains the fundamental simplicity that is the source of its enduring popularity (more than 100,000 copies sold). It's nice to be naughty....After her naughty escapades the night of Lady Charlotte Grey's engagement party, poor Rebecca Burgess has been shunted off to Miss Dobson's Finishing School--which everyone knows is little more than a reformatory for young ladies who had sullied their reputation. She would do anything to break free and to find herself in the arms of Bow Street Runner, Nigel Kent, again. And then the Chandramukhi Diamond is stolen. Nigel is tasked with investigating the theft of the priceless diamond, but it's impossible for him to keep his mind on his work when the Rebecca becomes an unlikely ally in his investigation. The diamond was stolen from the house adjoining Miss Dobson's school, and the network of secret passageways between the buildings allows for

more than just eavesdropping. But when Nigel and Rebecca take their dalliance too far, Miss Dobson might just come between them forever and allow the diamond thief to get away to boot. Can true love rescue Rebecca from horrible treachery? A light-hearted, fun, SUPER steamy, Regency romp--a quick read, not to be taken too seriously. PLEASE BE ADVISED - Steam Level: Five-Alarm Fire with a generous helping of F-bombs. Don't say you weren't warned. When the Wallflowers were Wicked: THE ACCIDENTAL MISTRESS THE INCORRIGIBLE COURTESAN THE DELECTABLE TART THE BLUSHING HARLOT THE CHEEKY MINX THE CLEVER STRUMPET A little bundle of joy means big changes. Hoss McMasters has a working ranch, a bull riding career, a nosy momma, and a best friend he's been in love with since he can remember. He's a busy, happy cowboy, living the good life. Then one morning he discovers a baby on his doorstep. Well, Hoss does what any reasonable man would do--he calls his momma and his buddy, Sheriff Pooter, and they head to the clinic to see if Doc knows of any suddenly not-so-pregnant girls. In the meantime, Hoss and his best friend, Bradley, have their hands full trying to care for an infant, run a ranch, and deal with the sudden confession that

Bradley doesn't hate Hoss for coming out to him in high school. In fact, Bradley's been trying to catch Hoss's attention for damn near a decade. Life's not a fairytale for women like me, divorced and creeping up on middle age...until a hot younger man finds my lost shoes. Crashing weddings is so not my thing. I'd much rather stay home and watch HGTV . . . and ignore the fact that my life is messier than those fixer-upper houses. Because my jerk ex left, and the only thing keeping a roof over my sons' heads is my crappy telemarketing job. But then I get a challenge from the Bad Luck Club, the group I joined to turn my luck around: Do something that breaks the rules. One ill-advised confession to my best friend later, I'm strapping on a pair of heels and crashing the wedding of two of the owners of Buchanan Brewery. The last thing I expect is to meet someone, let alone the sexy younger bartender who calls me out and finds my lost shoes, something straight out of Cinderella. And the very last thing I expect is to fall for him. It feels like I'm in a dream come true, a fairy tale, but the crap part about dreams is that they have to end. Or do they? With three months remaining of her marriage of convenience, Savannah is ready to say

That's all their marriage has ever been about. So she really needs to stop falling into bed with him. The author did an amazing job with the creation of the characters and her description of the environment. The romance is there, but not overdosed. The director of my clinic is retiring and the job is up for grabs. I'd be lying if I said I didn't want the job for myself, but I'd be happy if any of my colleagues got the promotion. But none of them get it. Neither do I. It's an outside hire. Atlas Beaumont. Super genius, but I think he's a super prick. Worst part of all? My father is the one who wrote his letter of recommendation, the one that impressed my boss so much that he hired him on the spot.

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm?

Who's to say the same can't be said for women? Before being thrust in the violent and terrifying sex-trafficking industry, Kristina Svoboda lived in a tiny hamlet in her home country of Czechia. She had an unfulfilling yet peaceful life before

she drew the eye of a royal-blooded aristocrat who took what he wanted and lived his life without consequences. For six years, she's been beaten, tortured, and exploited, yet her shoulders don't carry the weight of her abuse. Her heart does, which is exactly what Trey Corbyn plays on when he spots her from afar seconds after she's released from captivity. He sees past the frail skin, hollow eyes, and waif-thin exterior. He sees a survivor. A woman. Someone just as broken as him. With his instincts no longer in existence and his possessiveness dangerous, can a broken man fix a fragilely timid woman? Or will his insecurities worsen her cracks until they reach a point they'll be unfixable?

Trey: European Redemption is a gritty story about finding love in the darkest of places. It's raw, intimidating, and shows even when you've been beaten to believe otherwise, sometimes dreams do come true. This book has violent scenes that may be distressing to some readers. Caution is advised. It is book seven in the Russian Mob Chronicles, however, it can be read as a standalone. 18+ for language and sexual content! But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she'd been happy to gloss over... until now. Will Hawk and Payton's different worlds collide in chaos, or will they come together and heal the wounds of the past? Will a threat from someone out of Hawk's past destroy the trust he and Payton are building? The Hundred Years' War sets Brittany ablaze in this unputdownable medieval adventure. Into a land torn by civil war rides freebooter Martin Kemp, in search of a lord in whose service he can win plunder and glory. When a French Army comes seeking a reckoning, Kemp's loyalties are divided between his king and the woman he loves,

forcing him to gamble all against impossible odds on the battlefield. A thrilling historical series, the bestselling Arrows of Albion series is perfect for fans of Conn Iggulden and Bernard Cornwell. Navy SEAL who wants nothing to do with commitment, is forced to protect his neighbor and her unborn baby when her past comes calling. Jack "Mars" Marsten lives in an apartment he never made a home. He made the mistake of marrying right out of boot camp to his high school sweetheart. When his wife left him during BUDS training, he vowed never to marry again. No entanglements. Period. Deirdre Anne Tyler is running from her ex-boyfriend who beat her when he found out she was pregnant. She changed her name to Anne Smith and is hiding in an apartment next door to a cranky Navy SEAL who barely says hello. Which is just as well. The fewer people who know her and where she is, the less chance of her ex finding her. Until he does... When trouble comes calling, Anne hides in her neighbor's apartment. Jack wants nothing to do with the woman but can't send her back to deal with her problem on her own. Stuck with the woman, he's now responsible for keeping her alive until her baby is born. How hard could that be? Harder than he originally thought when he finds

When the Catholic Church calls us to a "New Evangelization," that's simply a reminder to us of what has always been true. The good news is: you can do it - you can evangelize - and Scott Hahn shows you how. In this this very practical "mission manual" Dr. Hahn equips you with: A guide to understanding what the New Evangelization is, and who it's really for A roadmap that leads you to where it all happens (hint: it's closer than you think) A simple, beautiful message to share - in words and actions You don't need esoteric knowledge. You don't need to master a new set of skills. Evangelization, for Catholics, is simply friendship raised up to the highest level. Enter a deeper friendship with Christ, and you'll want to share his companionship more and more with a wider circle of friends. Get ready for a collection of summer romances! The Sailor's
