Supporting Lives Free from Intimate Partner Violence Towards Better Integration of Services for Victims/Survivors Dec 12 2021 Many OECD governments regularly identify violence against women as the top gender equality issue their country faces. Yet in all countries, addressing this multifaceted issue presents serious governance and implementation challenges as victims/survivors have complex needs both during and after

experiences of violence.

Measuring Customer Service Effectiveness May 25 2020 Good customer service may be seen as a crucial asset for most organisations. But how do you know that you are delivering good customer service both externally and internally and, more importantly, delivering it to meet and exceed your customers' expectations? Customer service is an intangible thing, it is perishable and it is personal, so measuring it can be complicated and less than straightforward. Help is at hand. Sarah Cook's down-to-earth guide provides the rationale behind measuring service effectiveness externally and internally and explains the measurement process, from preparation to managing the results. The book also includes an exploration of the various techniques open for measuring effectiveness and how to use them. Utilising her consultancy experiences the author has ensured that there is plenty of ready-to-use materials to enable you to start measuring your own organisation's service effectiveness straight away.
