For more than 38 years, millions of consumers have turned to Edmunds' buyer's guides for their shopping needs. This format makes it easy for consumers to get the advice and information they need to purchase their next new vehicle. Readers benefit

from features such as: - Comprehensive vehicle reviews - Easy-to-use charts that rate competitive vehicles in popular market segments - Expanded in-depth advice on buying and leasing - Editors' and consumers' ratings - High-quality photography - Editors' Most Wanted picks in 29 vehicle categories In addition to these features, vehicle shoppers can benefit from the best that they've come to expect from the Edmunds name: - In-depth articles on all-new vehicles - Crash test ratings from the National Highway Traffic Safety Administration and the Insurance Institute for Highway Safety - Warranty information - Previews of future vehicles not yet for sale Okay, all you VB6 developers--time's up. As of March 2005, Microsoft no longer supports this version of Visual Basic. And you can't blame them. Three years ago, they introduced the .NET Framework--an elegant, powerful platform--along with the new component-based VB.NET language. But roughly five million of you decided to stick with VB6, mostly to maintain legacy Windows and COM projects. Now, with the upcoming release of VB 2005, Microsoft has several attractive reasons to upgrade that you'll find hard to resist, including the return of some VB6 features. And we have the perfect book to help you make the conversion: Visual Basic 2005 Jumpstart. Now, you can test-drive the beta version of VB 2005 with three hands-on projects that enable you to learn the syntax of this new language quickly. VB 2005 not only lets you convert the bulk of your existing VB6 code, but offers several familiar features, such as compile-and-run debugging, new MyClasses that simplify use of .NET libraries and frameworks, lots of IDE support for Windows, web and mobile GUI development, and data access controls that closely resemble what you use now.

The real plus is that you'll be using these features with the .NET platform, which is more secure, less complex than COM, and offers OneClick deployment. Visual Basic 2005 Jumpstart lets you get the feel of this platform for building smart/rich Windows Forms clients, ASP.NET web applications, and web services. Author Wei-Meng Lee, a Microsoft .NET MVP, veteran O'Reilly author and frequent contributor to the O'Reilly Network, has put together three useful test-drive projects, complete with code samples, that let you develop: A personal library Windows application A Web-based shopping cart application A stock enquiry Web Service Our jumpstart guide is the quick, painless way to migrate from VB6 to VB 2005, and the perfect training manual for moving your organization to the more robust, dynamic and secure world of .NET. As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and

transmissions; and provides the latest information on computer module glitches. Mitchell Daniels, better known as MD, was born in Memphis, TN to his mother who came from a prestigious suburban family. MD followed in his father's 'Xavier' footsteps who was the complete opposite of his mother. Xavier, with the street moniker X, was known in Memphis as a notorious gangster, dealer, and hustler. Despite his rise in notoriety, MD eventually realized the streets no longer loved him back. MD ended up recreating a new life for himself, escaping everything he previously knew. Now a very successful businessman, his past comes back for a visit, threatening the new life he has created, vengefully returning to overpower his will. Will he be able to fight back and overcome a reunion with the streets? Or will he fall victim to the Urban Mind State? Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index. SECRETS BEGET LIES. LIES BEGET SECRETS. Four years after closing the gruesome murder of church Elder Dennis Gregg, Detective Joi Sommers and her partner Russell Wilkerson are summoned to a South Suburban commuter college where the body of a sexy coed is found garroted in the chemistry lab. From their first horrified glimpse at the corpse they recognize they have been tasked with an extraordinary case. The evidentiary trail leads

them to similarly murdered victims. Is this a pattern, or a series of random coincidences? Tracking the wanton killer from the South Suburban hamlet to Chicago's trendy North side, their investigation thickens and threatens to excavate darkly hidden appetites.

365 Sports Cars You Must Drive puts you in the driver's seat of a century's worth of sports car legends (and a few rather less legendary), each presented with a fun and informative profile and fact-and-spec box. It's the ultimate gearhead's bucket list and poses the challenge: How many have you driven? Whoever coined the phrase "getting there is half the fun" must have owned a sports car. And the wag who suggested that "it's the journey not the destination"? Probably driving a Lotus or MG at the time. From towering icons like Ferrari, Lamborghini, Porsche, and Corvette to everyman sportsters from Triumph, MG, Sunbeam, and Miata to oddballs like Crosley, Sabra, and DB, sports cars inspire passion and strong opinions as few other vehicles on the road can. In one beautiful book, long-time Road & Truck magazine chief photographer John Lamm, along with other top motoring contributors, gives the reader illustrated profiles of every sports car you've ever dreamed of driving! Now, imagine if you could drive a different sports car—any sports car—every single day for a year. Which would you choose?

Jersey Warren has had it good for most of her life, until her father does the unthinkable, betraying the whole family. With no way to make ends meet, she turns to the world of stripping in order to keep herself afloat. Jersey feels that she is simply existing, and finds nothing interesting about her life, until she meets Tommy Brownson. Tommy is cute, sweet, persistent, and patient. Jersey finds herself smitten with him, but soon after becomes

just short of infatuated with his frenemy Kilexis Camren. Conflicted, Jersey is having a hard time figuring out if she wants the kind and gentle Tommy, after all he did approach her first, or the mysterious, rugged, and frank Kilexis. Not able to decide right away, Jersey dabbles with both, showing a much more favoritism to the latter. Will she be able to pick in enough time to preserve the losing man's feelings? Or will fate choose for her, causing a heightened rivalry between the men? Cheyla Austin is a pill popping stripper, who has no idea where she wants to go in life, and to honest she's perfectly okay with that. Living life one day at a time, and having to answer to no one, has proved to be Cheyla's method for achieving contentment. She has no interest in dating anyone who may disrupt her easy going and detached life, until she meets the sexy, ambitious, and clever Kantwan Camren. Kantwan is a no nonsense guy, and refuses to be with a woman who will cower when met with true love or hardwork. Will Cheyla be able to mature into the woman Kantwan needs? Or will she continue to live life as a disconnected and afraid little girl, causing her to lose out on the man of every girl's dreams? Ivy Horne, hasn't had it easy for the past few years. With her child's father being thrown in jail for reckless petty robberies, she is forced to make sure her son has everything he needs. In order to put food into her son Donovan's mouth, she joins best friends Jersey and Cheyla, by dancing every night for cash. Her plan is to focus on making money, while looking for a new job to obtain before her man Portland comes home. In addition to that, there are no ifs, ands, or buts about her being faithful to Portland while put away. That all changes upon meeting the intelligent, handsome, and aggressive Elijah Camren, who tries to show

Ivy that she is way too good to hold a man down that has been so disloyal to her in the past. When Ivy falls for Elijah's charm, just a teeny bit, she is stuck with having feelings for him even when Portland returns. Will she dabble and dabble like Jersey? Or will fate have to pick for her as well? Everyone seems to be in a love that's forbidden, frowned upon, or just downright wrong. Follow Jersey, Cheyla, and Ivy, as they all share forbidden love with a thug. Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever. As with the streets of Oakland, California; three families' lives intersect and are bound by blood ties, secrets and deceit. Each one, desperate to put their sordid pasts behind them, has strived to create the perfect life for themselves and their children.

Consumed with the petty criminal activities of their children, as well as dealing with their own trust issues with each other, each parent will do anything and everything to protect their legacy. However, when the actions of three friends attract the attention of an Oakland kingpin, hidden truths and long-buried rivalries bubble to the surface. A case of mistaken identity that ends in murder shakes the very core of each person involved. Are they able to come to terms with their past transgressions and move ahead to a clean future, or will the secrets and lies lead them down a path of destruction? The streets of Oakland are waiting and watching. For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years. Get a plan to ace the exam—no matter how much time you have left Includes a diagnostic test to help you pinpoint where you need the most help Includes a two-month, one-month, and one-week cram plan Full-length practice exam with complete answer explanations Provides reviews and ratings of new cars, along with details on safety features and the results of crash testing. This book provides a unique historical and qualitative review of ten foreign automakers with plants in developed North America from their early beginnings to their export entry into North America. It seeks to expand the knowledge of American and Canadian policymakers pursuing a new foreign motor vehicle assembly plant or Foreign Direct Investment. Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil,"

Canada's best-known automotive expert for more than 42 years, pulls no punches. In a recent National Highway Traffic Safety Administration (NHTSA) report, about one out of every 7 fatalities on the road involved a motorcycle. It is clear that motorcyclists are more vulnerable and much more likely to be injured or killed in a crash than are passengers in a car accident. *Motorcycle Accident Reconstruction* purposefully pulls together as much of the relevant accident reconstruction literature and science as possible to present definitive literature that meets the needs of the crash reconstruction industry. The reader will learn to analyze physical evidence, understand what it means, and how to incorporate math and physics into an investigation. Topics featured in this book include: Case studies utilizing event data recorder data Photogrammetry analysis Determining motorcycle speed at the time of an accident The book provides a unique roadmap for the motorcycle accident reconstructionist user. It is written by two specialists in this field who provide analyses of physical factors that affect motorcycle visibility, motorcycle usage at night, and human factors in motorcycle crashes - to the greater understanding of crash analysts, consultants and safety engineers alike. *Running Times* magazine explores training, from the perspective of top athletes, coaches and scientists; rates and profiles elite runners; and provides stories and commentary reflecting the dedicated runner's worldview. "This is a good textbook for undergraduate students as it explains clearly and simply the concepts and types of white-collar crime, provides good examples, and does not overwhelm the student with unnecessary information in most areas." —Cindy A. Boyles, University of Tennessee at Martin The thoroughly

updated Second Edition of *White Collar Crime: The Essentials* continues to be a comprehensive, yet concise, resource addressing the most important topics students need to know about white-collar crime. Author Brian K. Payne provides a theoretical framework and context for students that explores such timely topics as crimes by workers, sales-oriented systems, crimes in the health care system, crimes by criminal justice professionals and politicians, crimes in the educational system, crimes in economic and technological systems, corporate crime, environmental crime, and more. This easy to read teaching tool is a valuable resource for any course that covers white-collar crime. ? Online resources also available—FREE when used with the new edition!

New car and minivan rating guide. Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries. This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog [YoungHouseLove.com](http://YoungHouseLove.com), Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more. For more than 39 years, millions of consumers have

turned to Edmunds' buyer's guides for their shopping needs. This format makes it easy for consumers to get the advice and information they need to make a wise purchase on their next used vehicle. Readers benefit from features such as: - Recommendations for the Best Bets in the used car market - Detailed histories on popular models - Certified Used Vehicle Information - Hundreds of photographs - Glossary of Used Car Buying Terms In addition to these features, vehicle shoppers can benefit from the best they've come to expect from the Edmunds name: - True Market Value pricing for trade-in, private party and dealer retail - Highlighted yearly model changes - In-depth advice on buying and selling a used car

This is the disturbing account of 31-year-old Joanna Dennehy, mother of two, the man under her spell, Gary Stretch, 47, and the murder investigation that led them and others to the Old Bailey for trial. A true crime short, plus 17 additional true crime stories. It was the day before Easter, 2013. A man out walking his dog on a rural road near Peterborough, United Kingdom found a dead body lying in a ditch. The grisly discovery preceded two other dead body discoveries under similar circumstances, thus launching police on a massive country-wide manhunt for a self-mutilating female psychopath with an affinity for knives and her 7-foot 3-inch tall companion and accomplice. Before their bloody rampage was brought to an end, they would attempt to kill two additional innocent people who likely never even saw them coming. This volume also includes the bizarre, compelling and frighteningly authentic true crime stories of several headline-grabbing cases, as well as more obscure cases that received little media attention. Within these pages you will find stories about serial killer Andrew

Urdiales; Jodi Arias and the murder of Travis Alexander; the random serial stabber case; a killer who wanted to be like "Dexter;" a "blood oath" murder case out of Washington State; a story about a "dead" man who murdered two female victims; the case of Portland's "Motel Hell" bloodbath; and several other real-life true crime dramas chosen especially for true crime aficionados about killers who mostly had one thing in common—they were OUT FOR BLOOD! 18 stories in all. Photos. Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches. Updated for 2005, this guide contains authoritative evaluations of more than 150 new 2005-model of cars, minivans, and sport-utility vehicles. Includes shopping tips and the latest retail and dealer-invoice prices to guide readers to the best new-car deals. Original. "The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.
