The Story Of Three Voids Feb 20 2020 "If you want to save someone, that's sympathy. If you need to save someone, that's love." Residing in humid Lucknow, Bhuvik is trying to forget the love of his life. His incomplete love story pierces his heart every time nostalgia hits him. One day, from out of the blue, little Aadya enters his life only to make it a more complex riddle. The girl's acknowledgment of pain is way too ahead of her age. What heaviness that little heart carries? Roshani, a happy-go-lucky lady, has found her solace in her own made world with Aadya. She seems full of life and pretends that everything is perfect. But is life ever perfect? When God was created, he knew no perfection. So he left a void in everyone, may it be physical or mental or by birth or written in destiny. That void eats us until someone comes and fills it with their love and devotion. Everything falls into the right place and your heart says, 'yes! This is the one!' The three protagonists of the saga are no different. Will they find their lost pieces in each other or fate has something heartbreaking for them on its list? 'THE STORY OF THREE VOIDS' by Harsh Sharma will ride you on the roller coaster of emotions and is a perfect example of how words can change life."

Jambo, Samji Kala! Feb 26 2023 Despite it being a foreign land filled with uncertainty, thousands of Indians migrated to East Africa in the late 1800s to early 1900s in order to find jobs or to trade. One such migrant was Mohanlal Kala Savani. Manu Savani, the youngest son of Mohanlal Kala Savani, shares the history of a hard-working and successful Indian migrant in East Africa through a series of vividly written vignettes, enhanced by a gallery of personal photographs. JAMBO, SAMJI KALA! offers readers a glimpse of the sociopolitical history of East Africa from 1918 onwards through the story of an ambitious man who landed at the port of Mombasa with a rudimentary elementary school education and empty pockets. Mohanlal Kala Savani was an aspiring young immigrant who worked with focus, resolve and a dauntless spirit to succeed in the world of business. The growth of the Indian film business in East Africa and overseas is an integral chapter in Mohanlal Kala's story. With struggle and determination, in 1922 he imported an Indian silent movie with a hand cranked projector. That was a building block to the distribution of Bollywood films internationally. This detailed biography shares the story of a visionary who turned obstacles into opportunities and became a movie mogul, textile and cotton mega trader, industrialist,

real estate developer and philanthropist.

The Indian Media Business Jul 07 2021 It offers a comprehensive view of the media business in India and a clear sense of how this industry operates.

Positive Criminology Sep 28 2020 How can we best help offenders desist from crime, as well as help victims heal? This book engages with this question by offering its readers a comprehensive review of positive criminology in theory, research and practice. Positive criminology is a concept - a perspective - that places emphasis on forces of integration and social inclusion that are experienced positively by target individual and groups, and may contribute to a reduction in negative emotions, desistance from crime and overcoming the traumatic experience of victimization. In essence, positive criminology holds a more holistic view, which acknowledges that thriving and disengagement from distress, addiction, mental illness, crime, deviance or victimization might be fostered more effectively by enhancing positive emotions and experiences, rather than focusing on reducing negative attributes. Each chapter in this book is written by key scholars in the related fields of criminology, victimology and addiction and, thus, assembles varied and extensive approaches to rehabilitation and treatment. These approaches share in common a positive criminology view, thereby enriching our understanding of the concept and other strength-based approaches to dealing with offenders and victims. This edited book elaborates on positive criminology core ideas and assumptions; discusses related theories and innovations; and presents various benefits that this perspective can promote in the field of rehabilitation. For this reason, this book will be essential reading for those engaged in the study of criminology, criminal justice and victimology and may also assist scholars and professionals to help offenders desist from crime and improve victims' well-being.

Death of a whistleblower and Cochrane's moral collapse May 25 2020 Professor Peter C. Gøtzsche co-founded the Cochrane Collaboration in 1993 and has become one of the most respected academics of his time. His career has exposed malfeasance in the pharmaceutical industry, human clinical trials and drug regulatory agencies, empowering Cochrane to evolve into one of the world's most trusted scientific institutions. However, in September 2018, he was unceremoniously expelled after what can only be described as a show trial that left the rest of the world wondering what happened. Gøtzsche fought to uphold Cochrane's original values of transparency, rigorous science, free scientific debates, and collaboration. But instead of maintaining scientific integrity, Cochrane's leadership had become consumed with managing the charity like a business, promoting its brand and products and demanding the censorship of dissenting views. For the first time, Gøtzsche pulls back the covers on this unscrupulous process, giving us all access to secret recordings, which reveal how his own organisation betrayed him and mislead millions of people after Cochrane cowered to the threats and intimidation from his critics. This is the fascinating story about institutional corruption in one of the world's most venerated charities, which ultimately led to the worst show trial in academia you can imagine.

I Don't Like Her Feb 02 2021 About the Book: Jokes apart, the author and his wife are poles apart. And that's what makes him pen down all that he doesn't like in her. A book that describes the imperfect match, one that almost every married couple can relate to and appreciate with a smile. A book that talks about, through their real-life anecdotes, all that differentiates them and still binds them in some way or the other A book that celebrates the real sense of companionship in a marriage, while tickling a funny bone at the same time. Having written a couple of poems and now this book on his wife, Pratik is still not sure (the only thing where he continues to be confused) whether to be proud of his wife or stay irritated with her. At the same time, both of them agree that he doesn't Like her, but Loves her. While his colleagues wonder how he finds time to write, he is coming up with his 10th book, immediately after their 11th Wedding Anniversary. They stay amazed at the fact that how a CA & CS writes Book of Accounts and Books of Literature, with the same ease. About the Author: Pratik is up with his 10th book, immediately after his 11th wedding Anniversary. He enjoys his married life, including the differences, to the fullest. So much so that he is able to pen it down in the most candid and cunning ways. This book

reflects upon both his literary skills and his philosophy around the lifetime relationship. Being a CA & CS, he is both precise and comprehensive in the description. His sense of humor is what keeps his married life light & delightful, as much as this book.

Prime Time Soap Operas on Indian Television Nov 23 2022 This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India's cultural fabric. It deconstructs themes and issues surrounding the "everyday" and the "middle class" through the fiction of the "popular". In its second edition, this still remains the only book to examine prime time soap operas on Indian television. Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian "mediascape" over the past decade - including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

Coca-Globalization Dec 20 2019 This book explores globalization through a historical and anthropological study of how familiar soft drinks such as Coke and Pepsi became valued as more than mere commodities. Foster discusses the transnational operations of soft drink companies and, in particular, the marketing of soft drinks in Papua New Guinea, a country only recently opened up to the flow of brand name consumer goods. Based on field observations and interviews, as well as archival and library research, this book is of interest to anyone concerned about the cultural consequences and political prospects of globalization, including new forms of consumer citizenship and corporate social responsibility. *Amritsar Express* Feb 14 2022 Angad, a young college student decides to set out from his small town and work during his vacation. Remote Control Oct 18 2019 'Nick Stone is one of the great all-action characters of recent times' Daily Mirror Tough, resourceful, ruthless - as an SAS trooper, Nick Stone was one of the best. Now he's back on the streets. After a botched mission, the Regiment no longer want his services. But British Intelligence does - as a deniable operator. It's the dirtiest job in a very, very dirty world. In Washington DC, it's about to get dirtier still. On the apparently routine tail of two terrorists, he discovers the bodies of an ex-SAS officer and his family. Soon he's on the run with the lone survivor of the bloodbath - a seven year old girl. And whilst she can identify the killers, only Stone can keep them at bay - and solve a mystery whose genesis takes him back to the most notorious SAS mission in recent history... *Remote Control* is the first of Andy McNab's blistering Nick Stone thrillers - bestsellers whose landscape is so compellingly close to the truth that they had to be vetted by the Ministry of Defence, and could only be published as fiction... What readers are saying: ***** 'Non-stop action and twists' ***** 'A thrilling journey that plays in your mind like a film.' ***** 'Fast-paced, edge of the seat thriller, written by someone who knows what he's talking about.'
