The Grotesque Body in Early Christian Discourse Jan 18 2020 Early Christian apocryphal and conical documents present us with grotesque images of the human body, often combining the playful and humorous with the repulsive, and fearful. First to third century Christian literature was shaped by the discourse around and imagery of the human body. This study analyses how the iconography of bodily cruelty and visceral morality was produced and refined from the very start of Christian history. The sources range across Greek comedy, Roman and Jewish demonology, and metamorphosis traditions. The study reveals how these images originated, were adopted, and were shaped to the service of a doctrinally and psychologically persuasive Christian message.

The Grotesque: an American Genre Feb 17 2020

Tales of the Truly Grotesque the Stench of Sulphur Swamp Jul 04 2021 A truly creepy book of truly grotesque tales.

Haunted Dec 09 2021 Sixteen neo-gothic tales of horror, the grotesque, and the dark side of the human imagination focus on the themes of violence in American society and the exploitation of women and children.

Staging the Savage God Jan 30 2021 In this broadly conceived study, Ralf Remshardt delineates the theatre's deep connection with the grotesque and traces the historically extensive and theoretically intensive relationship between performance and its "other," the grotesque. *Staging the Savage God: The Grotesque in Performance* examines the aesthetic complicity shared by the two in both art and theatre and presents a general theory of the grotesque. Performing the grotesque is both a challenge to a culture's order and the affirmation of certain ethical principles that it recognizes as its own. Remshardt investigates the aesthetics and ideology of grotesque theatre from antiquity—in works such as *The Bacchae* and *Thyestes*—to modernity—in *Ubu Roi* and *Hamletmachine*—and opens up new critical possibilities for the analysis of both classical and avant-gardetheatre. Divided into three sections, *Staging the Savage God* first interrogates the grotesque as primarily a visual artistic and theatrical mode and then inventories various critical approaches to the grotesque, establishing the outlines of a theory with regard to drama. In the most extensive part of the study, Remshardt shifts his emphasis to the theatre of the grotesque, from self-consuming tragedies and the modernist trope of the artificial human figure to the characterology of the grotesque. Remshardt's conclusion takes bold steps toward unraveling the paradox inherent in the grotesque theatre. Written in an engaging style and aided by nine illustrations, *Staging the Savage God* is a comprehensive and rigorous study that incorporates critical approaches from disciplines such as philosophy, psychoanalysis, art history, literature, and theatre to fully investigate the historical function of the grotesque in performance.

The Grotesque Jan 22 2023 This exuberantly spooky novel, in which horror, repressed eroticism, and sulfurous social comedy intertwine like the vines in an overgrown English garden, is now a major motion picture, starring Alan Bates, Sting, and Theresa Russell.

Rethinking the Concept of the Grotesque May 02 2021 How are we to define what is grotesque, in art or literature? Since the Renaissance the term has been used for anything from the fantastic to the monstrous, and been associated with many artistic genres, from the Gothic to the danse macabre. Shun-Liang Chao's new study adopts a rigorous approach by establishing contradictory physicality and the notion of metaphor as two keys to the construction of a clear identity of the grotesque. With this approach, Chao explores the imagery of Richard Crashaw, Charles Baudelaire, and Rene Magritte as individual exemplars of the grotesque in the Baroque, Romantic, and Surrealist ages, in order to suggest a lineage of this curious aesthetic and to cast light on the functions of the visual and of the verbal in evoking it.

The "Writer's Book" Jun 22 2020

The Grotesque in Roman Love Elegy Apr 01 2021 Roman elegy makes frequent use of themes of ugliness and disfigurement, juxtaposing them with images of ideal beauty and sentiment. In order to overcome the obstacles to his erotic relationship, the poet-lover repeatedly represents his rivals and opponents in such a way as to ridicule their appearance and to degrade their social standing. This book explores the theme of corporeal, intellectual, and social degradation from a perspective attentive to the aesthetic significance of the grotesque imagery with which such degradation is accomplished. Although there has been sophisticated discussion of the use of grotesque imagery in genres like comedy, invective, and satire, which are concerned in part with themes of transgression and excess, Mariapia Pietropaolo demonstrates that the grotesque plays a significant role in the self-definition of love elegy, the genre in which it is least expected.

The Grotesque in Art and Literature May 14 2022 The authors focus on the religious and theological significance of grotesque imagery in art and literature, exploring the religious meaning of the grotesque and its importance as a subject for theological inquiry.

Elizabethan Grotesque (Routledge Revivals) Mar 20 2020 The comic grotesque is a powerful element in a great deal of Elizabethan literature, but one which has attracted scant critical attention. In this study, first published in 1980, Neil Rhodes examines the nature of the grotesque in late sixteenth-century culture, and shows the part it played in the development of new styles of comic prose and drama in Elizabethan England. In defining 'grotesque', the author considers the stylistic techniques of Rabelais and Aretino, as well as the graphic arts. He discusses the use of the grotesque in Elizabethan pamphlet literature and the early satirical journalists such as Nashe, and argues that their work in turn stimulated the growth of satirical drama at the end of the century. The second part of the book explains the importance of Nashe's achievement for Shakespeare and Jonson, concluding that the linguistic resources of English Renaissance comedy are peculiarly – and perhaps uniquely – physical.

The Grotesque in Church Art Nov 15 2019

The Grotesque Feb 11 2022 This exuberantly spooky novel, in which horror, repressed eroticism, and sulfurous social comedy intertwine like the vines in an overgrown English garden, is now a major motion picture, starring Alan Bates, Sting, and Theresa Russell.

On the Grotesque Sep 25 2020

The Grotesque in Art and Literature Mar 12 2022 The art of our own day shows a greater affinity to the grotesque than that of any other epoch. Modern novels, modern paintings and sculpture are replete with grotesque features. In this modern classic of criticism, Wolfgang Kayser traces the historical development of the grotesque from the Italian Renaissance (which originated the word "grottesco") through the "chimeric" world of the *commedia dell'arte*, Sturm und Drang, the age of Romanticism and nineteenth century "realism," to its modern forms in poetry, dream narration and surrealist painting. -- Back cover.

The Beautiful and the Grotesque Aug 17 2022 From one of the masters of the short story comes an unforgettable collection of haunting and strange tales. Ever since his death in 1927, Ryunosuke Akutagawa has been hailed as one of the greatest short story writers in world literature. Most famous for his story *Rashomon* and the Kurosawa movie it inspired, Akutagawa's wide range of fiction is beautifully displayed in this newly reissued collection of his stories. With characteristic lyricism and great style, the stories here capture the strange world of Akutagawa, from the slow, gentle death of a haiku master ("Withered Fields") to a vicious, marauding gang and their bloody fight with samurai ("The Robbers"), and the sly tale told from a dog's perspective of his escape from home ("The Dog, Shiro"). Throughout these stories, Akutagawa captures the often confused spirit of a Japan undergoing great change and confronting modernity at the turn of the last century. But these stories remain timeless classics, and any reader, whether a fan of Akutagawa or someone discovering him for the first time, will find

wonderful delight in these unusual stories. Previously published in a Liveright edition as *Exotic Japanese Stories*.

Gift of the Grotesque Dec 21 2022 "No other book of the Bible is quite so R-rated. No other book is quite so ugly or grotesque. Judges offers its reader not a roster of angelic saints, but an astonishing tempest of brutality, feces, slaughter, assassinations, conspiracy, genocide, child sacrifice, rage, betrayal, mass graves, gang-rape, corpse mutilation, kidnapping, and civil war." Gift of the Grotesque offers readers a series of seven theological essays focused on one of the most confusing and challenging books in the biblical canon. Stulac's captivating style combines sensitive exegesis with broadly accessible meditations on culture, art, music, literature, memoir, theology, and spirituality. Better understood as a companion rather than a biblical commentary, this unusual resource will kickstart the theological imagination of anyone who struggles to understand how the book of Judges points forward to the life and work of Jesus Christ. Dare to follow an experienced biblical scholar into the heart of Israel's theological Dark Age, and you will encounter there the transformative Word of God in ways you do not expect. The prophetic book of Judges, writes Stulac, "wants to gut you like a fish, because on the far side of that unenviable prospect, it wants you alive like you've never lived before."

The Grotesque and the Unnatural Feb 23 2023

Modern Art and the Grotesque Oct 15 2019 Frances Connelly examines how the concept of the "grotesque" has influenced the history, practice, and theory of art in the nineteenth and twentieth centuries. The grotesque has been adopted by a succession of artists as a way to push beyond established boundaries; explore alternate modes of experience and expression; and challenge the status quo. Examining specific images by a range of artists, such as Ingres, Gauguin, Höch, de Kooning, Polke, and Mona Hatoum, these essays encompass a variety of media--including medical illustration, paintings, prints, photography, multimedia installations, and film.

American Fiction and the Metaphysics of the Grotesque Jun 03 2021 By synthesizing Kayser's and Bakhtin's views of the grotesque and Heidegger's philosophy of Being, *American Fiction and the Metaphysics of the Grotesque* seeks to demonstrate that American fiction from Poe to Pynchon has tried to convey the existential dimension: the pre-individual totality or flow of life, which defines itself against the mind and its linguistic capacity. Dieter Meindl shows how the grotesque, through its self-contradictory nature, has been instrumental in expressing this reality-conception, an antirationalist stance in basic agreement with existential thought. The historical validity of this new metaphysics, which grants precedence to Being--the context of cognition--over the cognizant subject, must be upheld in the face of deconstructive animadversions upon any metaphysics of presence. The notion of decentering the subject, Meindl argues, did not originate with deconstruction. The existential grotesque confirms the protomodernist character of classic American fiction. Meindl traces its course through a number of well-known texts by Melville, James, Gilman, Anderson, Faulkner, and O'Connor, among others. To convey life conceived as motion, these writers had to capture--that is, immobilize--it in their art: an essentially distortive and, therefore, grotesque device. Melville's "Bartleby," dealing with a mort vivant, is the seminal text in this mode of indirectness. As opposed to the existential grotesque, which grants access to a preverbal realm, the linguistic grotesque of postmodern fiction works on the assumption that all reality is referable to language in a textual universe. *American Fiction and the Metaphysics of the Grotesque* will significantly alter our understanding of certain traditions in American literature.

The Grotesque Oct 19 2022 First published in 1972, this book provides a helpful overview of the grotesque and its use in a number of literary genres including novels, drama and poetry. After providing a historical summary of the term, the book discusses the various defining aspects of the grotesque and its relationship to other terms and modes of literature, such as satire, the comic and parody. The final chapter presents the functions and purpose of the grotesque in literature. This book will be a useful resource for those studying literary theory and literary works which include an element of the grotesque.

The Early Modern Grotesque Nov 27 2020 *The Early Modern Grotesque: English Sources and Documents 1500-1700* offers readers a large and fully annotated collection of primary source texts addressing the grotesque in the English Renaissance. The sources are arranged chronologically in 120 numbered items with accompanying explanatory Notes. Each Note provides clarification of difficult terms in the source text, locating it in the context of early modern English and Continental discourses on the grotesque. The Notes also direct readers to further English sources and relevant modern scholarship. This volume includes a detailed introduction surveying the vocabulary, form and meaning of the grotesque from its arrival as a word, concept and aesthetic in 16th century England to its early maturity in the 18th century. The Introduction, Items and Notes, complemented by illustrations and a comprehensive bibliography, provide an unprecedented view of the evolving complexity and diversity of the early modern English grotesque. While giving due credit to Wolfgang Kayser and Mikhail Bakhtin as masters of grotesque theory, this ground-breaking book aims to provoke new, evidence-based approaches to understanding the specifically English grotesque. The textual archive from 1500-1700 is a rich and intriguing record that offers much to interested readers and researchers in the fields of literary studies, theatre studies and art history.

The grotesque Sep 06 2021

Tales of the Grotesque and Arabesque Jul 24 2020 *Tales of the Grotesque and Arabesque* is a collection of previously-published short stories by Edgar Allan Poe, first published in 1840.

Beyond Grotesque Dec 17 2019

Grotesque Jul 16 2022 *Grotesque* provides an invaluable and accessible guide to the use (and abuse) of this complex literary term. Justin D. Edwards and Rune Graulund explore the influence of the grotesque on cultural forms throughout history, with particular focus on its representation in literature, visual art and film. The book: presents a history of the literary grotesque from Classical writing to the present examines theoretical debates around the term in their historical and cultural contexts introduce readers to key writers and artists of the grotesque, from Homer to Rabelais, Shakespeare, Carson McCullers and David Cronenberg analyses key terms such as disharmony, deformed and distorted bodies, misfits and freaks explores the grotesque in relation to queer theory, post-colonialism and the carnivalesque. *Grotesque* presents readers with an original and distinctive overview of this vital genre and is an essential guide for students of literature, art history and film studies.

Literature and the Grotesque Aug 05 2021

The Grotesque Nov 08 2021

The Collector of Hearts Apr 20 2020 "Twenty-seven gothic tales from the acclaimed master of the American short story." --

American Grotesque Feb 28 2021 Deluxe edition presenting the grotesque and erotic images of the unsung Hollywood photographer and pictorialist innovator William Mortensen (1897-1967).

The Beautiful, the Sublime, and the Grotesque Aug 25 2020 The eighteenth-century Enlightenment represents a turn toward experience, that is, toward the experiencing subject. Still the Enlightenment involves an aspiration toward objective truth in the ideals of the newly emerging sciences and in the experiments in democracy that were beginning to transform the political landscape of Europe and America. Immanuel Kant's towering philosophical achievement in his critical works helps to reformulate a meaning of objectivity that is congenial to the climate of inquiry and freedom in that remarkable century, a meaning that is unburdened of the metaphysical commitments of many of his predecessors. Kant's revolution in philosophical thought gives us an objectivity that is crucially related to epistemic conditions rooted in subjectivity, a correlation between subjectivity and objectivity that carries over as well into his critical treatises concerned with ethics and aesthetics. This book of essays explores the tension between subjectivity and objectivity as it develops in the Enlightenment in Winkelmann, Hume, and Kant. The focus is upon aesthetic theories concerning the beautiful, the sublime, and the grotesque. The question by two of the authors as to whether aesthetic enjoyment of the blues is morally justified underscores an interest in these essays in the connection between aesthetics and ethics. This concern of the relation of aesthetics to judgments in cognition and in morality underlies an area of peculiar interest to Kant, and therefore to many of these essays. Finally the authors examine a turn toward the subjective in the Postmodern world of art and aesthetic theory, a turn that represents a relaxation of the original Enlightenment tension between subjectivity and objectivity. It also represents perhaps a grotesque turn toward the extreme of subjectivity in the realm of Postmodern theory, an extreme toward which at least one of the authors casts a critical eye.

Masters of the Grotesque Nov 20 2022 The concepts and theories surrounding the aesthetic category of the grotesque are explored in this book by pursuing their employment in the films of American auteurs Tim Burton, Terry Gilliam, the Coen Brothers and David Lynch. The author argues that interpreting these directors' films through the lens of the grotesque allows us to situate both the auteurs and the films within a long history of the grotesque in art and aesthetics. This cultural tradition effectively subsumes the contribution of any artist or genre that intersects it but also affords the artist or genre--the auteur and the genre filmmaker--a pantheon and an abundance of images, themes, and motifs through which he or she can subversively represent the world and our place in it.

Quevedo and the Grotesque Oct 27 2020

American Grotesque Oct 07 2021 American Grotesque is a lavish retrospective of grotesque, occult, and erotic images by the forgotten Hollywood photographer William Mortensen (1897–1965), an innovative pictorialist visionary whom Ansel Adams called the "Antichrist" and to whom Anton LaVey dedicated The Satanic Bible. Mortensen's countless technical innovations and inspired use of special effects prefigures the development of digital manipulation and Photoshop. Includes a gallery of more than one hundred striking photographs in duotone and color, many of them previously unseen, and accompanying essays by Mortensen and others on his life, work, techniques, and influence.

A Grotesque in the Garden Apr 13 2022 After several millennia living as a lone sentinel in the Garden of Eden, the angel Tesque is contemplating leaving his post in rebellion against God. Meanwhile, in another time and place, a professor of mathematics isolates herself in remote Iceland as she finds herself increasingly at odds with society. The connection between these two characters? A letter, a sentient dog, and a deep-seated resistance to the demands of love. A Grotesque in the Garden is a philosophical tale that addresses some of theology's thorniest problems, including the questions of divinely permitted evil, divine hiddenness, and divine deception, couching them in narrative form for greater accessibility to students and general readers. While Hudson's story ultimately vindicates the virtue of obedience to God, it never shies away from critiques of troublesome theological positions. This second edition contains an appendix with commentary, discussion questions, and suggestions for further reading.

Winesburg, Ohio Jun 15 2022 Selected by the Modern Library as one of the 100 best novels of all time "Here [is] a new order of short story," said H.L. Mencken when Winesburg, Ohio was published in 1919. "It is so vivid, so full of insight, so shiningly life-like and glowing, that the book is lifted into a category all its own." Indeed, Sherwood Anderson's timeless cycle of loosely connected tales--in which a young reporter named George Willard probes the hopes, dreams, and fears of the solitary people in a small Midwestern town at the turn of the century--embraced a new frankness and realism that ushered American literature into the modern age. "There are moments in American life to which Anderson gave not only the first but the final expression," wrote Malcolm Cowley. "Winesburg, Ohio is far from the pessimistic or morbidly sexual work it was once attacked for being. Instead it is a work of love, an attempt to break down the walls of loneliness, and, in its own fashion, a celebration of small-town life in the lost days of good will and innocence."

The Female Grotesque May 22 2020 The grotesque - the exaggerated, the deformed, the monstrous - has been a well-considered subject for students of comparative literature and art. In a major addition to the literature of art, cultural criticism and feminist studies, Mary Russo re-examines the grotesque in the light of gender, exploring the works of Angela Carter David Cronenberg Bahktin Kristeva Freud Zizek. Mary Russo looks at the portrayal of the grotesque in Western culture and by combining the iconographic and the historical, locates the role of the woman's body in the discourse of the grotesque.

Grotesque Sep 18 2022 Life at the prestigious Q High School for Girls in Tokyo exists on a precise social axis: a world of insiders and outsiders, of haves and have-nots. Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres; the hopelessly awkward Kazue Sato floats around among them, trying to fit in. Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered. Natsuo Kirino, celebrated author of Out, seamlessly weaves together the stories of these women's struggles within the conventions and restrictions of Japanese society. At once a psychological investigation of the pressures facing Japanese women and a classic work of noir fiction, Grotesque is a brilliantly twisted novel of ambition, desire, beauty, cruelty, and identity by one of our most electrifying writers.

The Grotesque Jan 10 2022 Contains twenty critical essays that explore themes of the grotesque in various works, such as Voltaire's "Candide," Shelley's "Frankenstein," "Gogol's "The Overcoat," and Kafka's "The Metamorphosis."
